SCAM OF THE MILLENNIA – THE MARSHALL PLAN

**THE ANGLO-AMERICAN (BRITISH) PILGRIMS
SOCIETY & ITS CFR OFFSPRING USED THE
MARSHALL PLAN, SHROUDED IN ANTI-
COMMUNISM, TO SEIZE CONTROL OF GLOBAL
BANKING USING NAZI & JAPANESE STOLEN GOLD**

HISTORY WARNING NOTICE

The Anglo-American (British) Pilgrims Society generally triggers a war to suppress this kind of exposure of their evil underbelly (*this is not hyperbole*).

Unless we stop them, their next wars will evidently be fake pandemics and poison/pathogen-laden nanoparticles to attack our blood and immune systems via vaccines, chip implants, Tavistock-inspired mass mind control, and 5G *mmWave* wireless irradiation.

Identities discovered of the *current* Pilgrims Society “ACELA MAFIA” shadow government interlocking relationships

The 1947 Congressional Record provides hard proof of a massive Marshall Plan conspiracy by the Anglo-American (British) Pilgrims Society and its Council on Foreign Relations (CFR) offspring

Today, the “Acela Mafia” is the U.S. insider’s name for the Pilgrims Society’s organized crime syndicate*

The Acela Mafia’s massive 1947 lies and fraud to Congress (as we show below) have just been discovered and should be legal grounds to unwind it all

Newly-discovered Marshall Plan council member lists prove that in 1948, the Anglo-American (British) Pilgrims Society seized control of the Marshall Plan’s \$15 billion (\$165 billion today), and funded the post-war rogue C.I.A. with Marshall Plan funds via secret Swiss accounts based on the gold stolen by Nazis and Japanese deposits (they even called it the “Gold Pot”)—the criminal basis of secret Swiss bank accounts is now revealed

The Acela Mafia talks peace, freedom, anti-fascism, anti-communism, anti-racism and democracy to fool unsuspecting citizens into attacking truth-tellers whom they accuse of the very sins they are committing

The approximately 300-person Marshall Plan Committee was led by the British-American imperial Pilgrims Society and its Council on Foreign Relations (CFR) offspring

At least four members were British knights, including: William J. Donovan, chief British-American spy running the “Office of Strategic Services (OSS) during WWII, and Winthrop W. Aldrich, the Rockefeller chairman of Chase National Bank and then president of the International Chamber of Commerce (and later U.S. Ambassador to the UK), his nephew Nelson Aldrich Rockefeller later became U.S. Vice President

A current Pilgrims Society U.S. officer, John R. Drexel, IV, is a Life Governor of the Knights of Malta English Priory along with chief justice John G. Roberts, Jr. and Henry Kissinger

funding the Tavistock Institute in London researching mind control and brain washing for use in “fake news” media propaganda

Since as early as 1912, Congressional hounds were hot on the Pilgrims’ Carnegie, Rockefeller, J.P. Morgan, Rothschild “new world order” continuous wars criminality

N.M. Rothschild, Andrew Carnegie and their protégés at J.P. Morgan and Chase (Rockefeller) have been financing British attacks on America since before the War of 1812

In 1912, J.P. Morgan, at his mentor Lord Rothschild’s urging (who controlled *Reuters*, *Daily Telegraph*, *Daily Mail*, *London Times*, etc.) bought editorial control of all of America’s leading newspapers (e.g., *New York Times*, *Washington Post*, *Chicago Tribune*) to push pro-British propaganda to support war with Germany

WWI destroyed the Pilgrims’ German trade competition; at the same time, Andrew Carnegie funded U.S. libraries and education textbooks to *rewrite* American colonial history to be more pro-British

Simultaneously, the Pilgrims bankers *created* the Federal Reserve to enable the Rothschilds (Bank of England) and the Pilgrim bankers to *control* the American money supply— America’s Pilgrim President Woodrow Wilson facilitated this from the White House

Human devastations initiated and financed by the Anglo-American (British) Pilgrims Society: WWI, WWII, Korea, Vietnam, Northern Ireland, FARC, Cambodia, Kosovo, Rwanda, Iraq, Afghanistan, Chechnya, Syria, Coronavirus, etc. appear to have all been faked by the Pilgrims Society to consolidate new world order power, restrict privacy and free speech, enrich co-conspirators and kill off populations with explosives, drugs, abortion, human trafficking, vaccines, pathogens, propagandize fake threats, weather warfare, wireless radiation, etc.

The Marshall Plan organizations of labor, rights movements, churches, synagogues, universities, educators and media were all sucked in to their tyrannical, godless of orbit

HISTORY WARNING LABEL

The Anglo-American (British) Pilgrims Society generally triggers a war to suppress this kind of exposure of their evil underbelly.

Unless we stop them, their next wars will evidently be fake pandemics, poison-laden nanoparticles to attack our blood and immune systems via vaccines, Tavistock-inspired mass mind control, and 5G wireless irradiation.

Spread this information as the antidote.

The Pilgrims Society was founded in London on [Jul. 16, 1902](#) (The Pilgrims of Great Britain), and in New York on [Jan. 13, 1903](#) (The Pilgrims of the United States).

Each time since then when an investigation into their criminality got too close to revealing their organized crime, investigators were deported, people died mysteriously, or wars started that sidetracked the efforts at truth telling.

American suffragette and investigative journalist living in London, focused her investigations on Andrew Carnegie, J. P. Morgan and the Pilgrims Society. She smelled a rat and said so, in newsprint. The British tolerated her during World War II, but two days after the peace treaty was signed, they deported her from Britain. Here is just one of her many [hard-hitting exposés](#) of Andrew Carnegie and the Pilgrims Society.

Pilgrims 24-step Takeover Strategy Exposed in 1912

In 1912, Ms. Troy had uncovered and published the Pilgrims' 24-step plan to take over America in *The San Francisco Leader* on [Feb. 24, 1912](#).

She discovered that American Carnegie was registered on the *voting roles* in Scotland (as a British subject). She also discovered that he had been awarded a "dukedom" in 1902 by the newly-crowned King Edward VII. This dukedom was most likely a title in the Knights of Malta over which Edward had just assumed control at the death of his mother Queen Victoria.

America in 1912 that Ms. Troy first revealed. [Editor's note: The original Troy article is missing from the Hearst archives. However, [on Aug. 06, 1940](#), [Rep. Thorkelson \(MN 1st\)](#) preserved them in the Congressional Record.

1. Diminish the power of Congress,
2. only permit pro-British Justices on the Supreme Court [**remember John G. Roberts, Jr. is a Knight of Malta; so is the current president of the U.S. Pilgrims Society, John R. Drexel, IV—Kidder Peabody, now UBS AG (Swiss)**],
3. only anti-Senate court rulings,
4. marginalize or compromise all Congressmen and Senators hostile to Britain,
5. allow some appearance of autonomy for show,
6. **entangle the U.S. in treaties,**
7. exchange Naval officers and pretend to defer to American officers,
8. exchange British and American soldiers and missions,
9. send English royalty stationed in Canada to the U.S. regularly,
10. be lavish with social invitations for American wives and daughters to rub shoulders with titled Brits,
11. **liberally distribute royal honours to Americans,**
12. honour all Americans who promote "peace" (meaning war)
13. ostracize woman of men hostile to "peace,"
14. when the above is done, the King and Queen may visit Washington,
15. only British troops will quell disturbances triggered by a royal visit,
16. distribute titles to the very wealthy, their wives love it,
17. **buy the newspaper editorials or start a new one next door,**
18. flatter educators in the press; oppose (Fourth of July) fireworks on public safety grounds,
19. celebrate British-American milestones using "peace" themes,
20. **discourage education among the masses, help them love their lowly existence,**

Fig. 5—Lillian Scott Troy, courageous American suffragette and investigative journalist living in London ca. 1900-1918. She focused her investigations on the evident corruption and treason of Andrew Carnegie, J. P. Morgan and the Anglo-American (British) Pilgrims Society, which she saw as undermining the sovereignty of the American Republic.

22. **annex the U.S. in quartered sections overseen by the Duke of Connaught in Canada,**
23. persistently create bad blood with Germany, and
24. keep France off balance with treaties and arbitrations.

[On Feb. 09, 1917](#), Rep. Oscar Callaway (TX 12th) exposed that "J.P. Morgan interests, the steel, ship-building, and power interests (explosives Brunner Mond (UK), including Nobel Explosives, and Du Pont), got together 12 men high up in the newspaper world" and agreed upon "25 papers... to purchase the policy, national and international, of these papers."

[On May 26, 1921](#), Rep. M. Alfred Michaelson (IL 7th) exposed the cooperation of British and American newspaper in the spread of pro-British propaganda before World War . He said "if true [it was], that there was a definite and widespread conspiracy operating inside the United States to plunge the people of the United States into war."

[Starting in 1938](#), a joint committee of House and Senate began hearings titled "Investigation of Concentration of Economic Power" spanning the 76th and 77th Congresses (Res. 113, S. J. Res. 300).

Fig. 6—[Jerome N. Frank, Committee Chairman; SEC, Chairman. \(Dec. 12, 1939 to Dec. 14, 1939\)](#). Joint HEARINGS, Investment Banking, Reports 22-24, Dec. 12, 1939, Investigation of Concentration of Economic Power, Res. No. 113, Temporary National Economic Committee, 75th Congress. GPO.

Every segment of American economic life was put under the microscope in exquisitely fine investigative work. They started with patents, life insurance, beryllium, liquor, poultry, savings, etc. At hearing numbers 22-23 they published meticulously detailed and overwhelming evidence of conspiracy to monopolize the investment banking sector by certain banks and investment houses—all members of the Pilgrims Society and aligned with N.M. Rothschild in the UK.

[Investment Banking, Rept. 22-24, Dec. 12, 1939.](#)

IBM-generated data, rolled his GM-manufactured tanks into Poland to start World War II.

Notably, Hitler was being financed by many of the "interlocking" banks under investigation, like J.P. Morgan, Chase National Bank, Morgan Stanley, Goldman Sachs, Brown Brothers Harriman (with Prescott T. Bush, George H.W. Bush's father).

A year later, between [Aug. 6 and Sep. 27, 1940](#), Rep. Jacob Thorkelson (MN 1st) introduced a series of investigations on the inner workings of the Pilgrims Society:

"The present membership in the American Pilgrims, and those who have passed away, represent the leadership of America in many important fields."

"The Carnegie, Rockefeller, and Twentieth Century Funds have through subsidies control over our press, churches, schools, the stage, cinema, colleges, and our Government, and America has not had a President entirely free from this control, particularly since the war."

[On Jun. 30, 1950](#), the Federal Trade Commission issued a scathing 538-page "Report on Interlocking Directorates."

Fig. 7— [James M. Mead, Chairman. \(Jun. 30, 1950\)](#). Report on Interlocking Directorates. U.S. Federal Trade Commission.

Remarkably, this FTC report had been written and was being prepared for publication by the Government Printing Office when the Korean War was started by the United Nations.

FTC ON THE PILGRIMS SOCIETY'S ORGANIZED CRIME (1950): "MONOPOLIES AND CONSPIRACIES IN RESTRAINT OF TRADE"

To repeat, on Jun. 25, 1950—*five days before* the release of the report on Interlocking "monopolies and conspiracies in restraint of trade"—the Korean War was triggered by the United Nations, dragging the U.S. into a "police action" that was never declared officially as a war, yet approximately 3 million souls died, including 128,000 dead and wounded Americans.

The FTC very clearly said, as you will read, that this activity by the Pilgrims Society and their CFR minions was an evident violation of the Clayton Act of 1914, the U.N. with the U.S. in tow started the Korean War.

On Sep. 22, 1970, Hon. John R. Rarick (LA 6th) "Television and the Mass Slicks" exposed the domination of American mass media by Pilgrims Society and CFR (Council on Foreign Relations) ideology:

"David Sarnoff [founder of RCA and NBC] is also a member of the super-secret Pilgrim Society, whose official logo is entwined American and British flags. This group, which is dedicated to merging Britain and America, has a number of internationalist members like Paley, Sarnoff, and John Schiff whose ancestors were not British. Cousin Eugene [Lyons] (editor of Soviet Tass News Service) forgot to mention Cousin David's C.F.R. and Pilgrim activities."

You have been put on notice.

Jul. 28, 2020—In morality, ethics and common decency, if a public figure fails to disclose a "material" relationship—meaning a relationship that does or might affect his or her impartiality in carrying out the public's business—then that person commits a crime.

In government, the ethics requirement is even broader. Even a relationship that *might* give the appearance of impropriety must be disclosed.

Therefore, when a Congressional committee is formed (like the Marshall Plan kick off hearings), the public interest and nature of its activities are assumed, and therefore, the disclosure rules require disclosure of potential conflicting relationships so the public can assess the impartiality of the participants.

For example, an ethical chairperson would not allow an AT&T stockholder to investigate AT&T securities violations. In today's courts and Congress, our public figures are hiding

these companies as long as they are buried inside their mutual funds. And yet, our judges almost across the board are claiming the safe harbor concept makes them exempt from disclosure. “Safe harbor” mocks ethical duties. But, since our legislators claim the same concept, they are silent about this total moral lapse in our government.

It destroys the public’s expectation of fair dealing.

THE FOX GUARDS OUR GOVERNMENT’S ETHICAL HEN HOUSE

In short, the public has a material need to know if the fox is the one proposing security policy for hen house.

Or, said another way, the public needs to know that a Senator holds stock in Facebook’s interlocking cronies before allowing that Senator to participate in subjects regarding Facebook and its interlocks.

IN 1915, J.P. MORGAN (A PROTEGE OF LORD ROTHSCHILD) BOUGHT AMERICA’S FREE PRESS

A Free Press was supposed to be our “Fourth Estate” to hold public officials accountable to these ethics principles. But, as we have discovered, J.P. Morgan obliterated America’s freedom of the press in 1912 when he seized control of [editorial policy in America’s 25 top newsrooms](#).

Cecil Rhodes said in 1877: Seize the wealth necessary (to take control over Britain, the Commonwealth, **and America**)

Cecil Rhodes, British Privy Councillor, chairman of De Beers Consolidated Mines (diamonds, gold) and founder of the Rhodes Scholarship, told the Pilgrims Society founders that they should [seize the wealth necessary](#) to achieve their 200 year dream of a neo-imperial corporatist, socialist new world order run by the British Privy Council.

Rhodes' co-conspirators were all Rothschilds, namely Lord Nathan Mayer Rothschild, Lord Rosebery (major N.M. Rothschild stock inheritor), Henry de Worms (1st Lord Pirbright, inheritor of his mother's Rothschild fortune), J.P. Morgan (coached in banking by Lord Rothschild, formerly Peabody Riggs Bank) and Andrew Carnegie, co-founder of the Pilgrims Society with Lord Rothschild. See [previous post](#).

This secret Pilgrims Society order they created would operate like a Masonic secret society, use [Jesuit tactics](#) of deception, and be run by banks and their insider corporations. They would dispense British titles and titillation liberally.

To this very moment, the Pilgrims have concealed their criminality behind the Crown's legal and banking protection using a tactic they coined called "incrementalism." It means to implement sedition slowly, imperceptibly. In other words, they stuck us frogs in the water, and have been slowly, incrementally turning up the heat ever since.

ON DEC. 17, 1947, THE TAKEOVER OF AMERICA TOOK A BIG STEP FORWARD

their soft underbelly that is only now being discovered in 2020—73 year later

On this day, [Dean Acheson](#), the recent under secretary of state (August 16, 1945 – June 30, 1947), came before the House on Foreign Affairs to ask for Congress to approve and fund his newly minted COMMITTEE FOR THE MARSHALL PLAN TO AID EUROPEAN RECOVERY that had just been initiated a month earlier on Nov. 17, 1947.

[Access spreadsheet here.](#)

[Click here](#) for a detailed spreadsheet breaking down the ~300 members of Acheson's newly hatched Marshall Plan Committee.

The Pilgrims lemmings gathered for Acheson's big reveal:

AFTERNOON SESSION

The committee reconvened at 2:20 p. m., at the expiration of the recess.

Chairman EATON. The committee will be in order.
 We are very glad to have our good friend Dean Acheson with us.
 This is not a very large number of committee members here, but it is a select group, Mr. Acheson. You can see the large audience you have, which is another tribute to your immense popularity.

STATEMENT OF HON. DEAN ACHESON, MEMBER OF THE EXECUTIVE COMMITTEE, COMMITTEE FOR THE MARSHALL PLAN

Mr. ACHESON. Mr. Chairman, and ladies and gentlemen of the committee. May I start with a less serious comment? I remember many, many years ago I used to inhabit the old boathouse at Yale University. There was an old boat rigger there, and when we would come in, he would greet us with enthusiasm and would say, "Well, well, it certainly is old-fashioned to see you."
 It is certainly old-fashioned to see the faithful gathering in this committee this afternoon.

69082—48—44

ACHESON'S SCARE-MONGERING WAS FINE-TUNED TAVISTOCK PILGRIMS SOCIETY PROPAGANDA

Acheson described the newly-organized Committee as if it had arisen from the ashes like a phoenix in the heartland by those "waiting anxiously for someone to express their deep desire for action."

professional” who wished to “play a larger role in helping the countries of Europe restore their war-shattered industries and farms and homes.”

He climaxed his soliloquy by claiming that “Henry L. Stimson provided the voice in his now famous article *The Challenge of Americans*” in *Foreign Affairs* of October 1947” (italics added).

This 11-page Stimson article in *Foreign Affairs* (CFR) sets up Soviet Russia as America’s brutish but wily and pragmatic new enemy against whom the Marshall Plan must defend. Never mind that Russia had just been our Ally two years earlier. Oh how quickly the Pilgrims Society morphed their communist Russia creation from two-war ally to “Cold War” enemy.

The telltale Pilgrims Society Tavistock Institute mind control *trigger words* were all dragged out for this day-long Acheson testimony, including:

- “gravely prejudice our security”
- “immeasurably weakened”
- “may prevent recovery”
- “delay and obstruction”
- “exhaustion”
- “possibility of [new] war”
- “internal instability”
- “hazard”
- “impairment of American security”
- “weakness”
- “unemployment”
- “break-up of employer-employee relations”
- “collapse of the financial system”
- “disappearance of middle class”
- “process of dissolution”
- “internal coup d’etat”
- “Communist threat”
- “climatactic disasters”
- “flood”
- “freeze”
- “worst drought”
- “catastrophic decline”
- “instability”
- “loss of freedom”

all will be well.]

Our first clue that Acheson and Stimson were deceiving the American public was the source of the alleged anxious groundswell: a Stimson article in *Foreign Affairs* quarterly published by the Council on Foreign Relations (CFR, founded in 1922 by Pilgrim Alihu Root, also attorney to Andrew Carnegie). This is so clearly a self-serving argument since Stimson and Acheson are promoting their own inspiring words as the rationale for their alleged spontaneous organization of the Committee.

The article was reprinted right across the J.P. Morgan-Rothschild-Rueters-AP mockingbird press.

Stimson wrote: “Lasting peace and freedom cannot be achieved until the world finds a way toward the necessary government of the whole [one world]” (p. 8).

Stimson had been Secretary of War both before World War I (1911–1913) and during all of World War II (1940–1945). Between the world wars he had been Secretary of State (1929–1933). Over 125 million souls perished on Stimson’s watch.

Let’s get this right. Acheson, Stimson’s successor as Secretary of State, and two-time Secretary of War, claimed that warmonger Stimson suddenly gave voice to an anxious grassroots cry for lasting peace and freedom in a single 11-page *Foreign Affairs* magazine article, with maybe 2,000 readers?!

More insipid tripe cannot be imagined.

The proverbial ink was not even dry on Stimson’s *Foreign Affairs* article two months earlier before its contents were alleged by Stimson to have generated a groundswell of American public sentiment to fund the rebuilding of Europe to allegedly stave off the spread of the new global threat—Soviet Russian communism.

So fake, yet so insidious.

Acheson’s Testimony is the Scene of the Crime of the Marshall Plan

The CFR’s first president was Elihu Root. Root had earlier been Stimson’s and Acheson’s counterpart as Secretary of War (1899-1904), Secretary of State (1905-1909) and New York Senator (1909-1915).

and was Carnegie's personal estate attorney, along with James P. Patterson, who we will highlight below.

THE SCENE OF THE MARSHALL PLAN CRIME (DEC. 17, 1947)

On Dec. 17, 1947, Dean Acheson, former under secretary of state during WWII, started his long-winded testimony by entering into the Congressional record a Marshall Plan Committee pamphlet.

The pamphlet described the Committee's purpose and listed the members that were allegedly inspired by the warmonger Stimson to drop everything to help Europe recover.

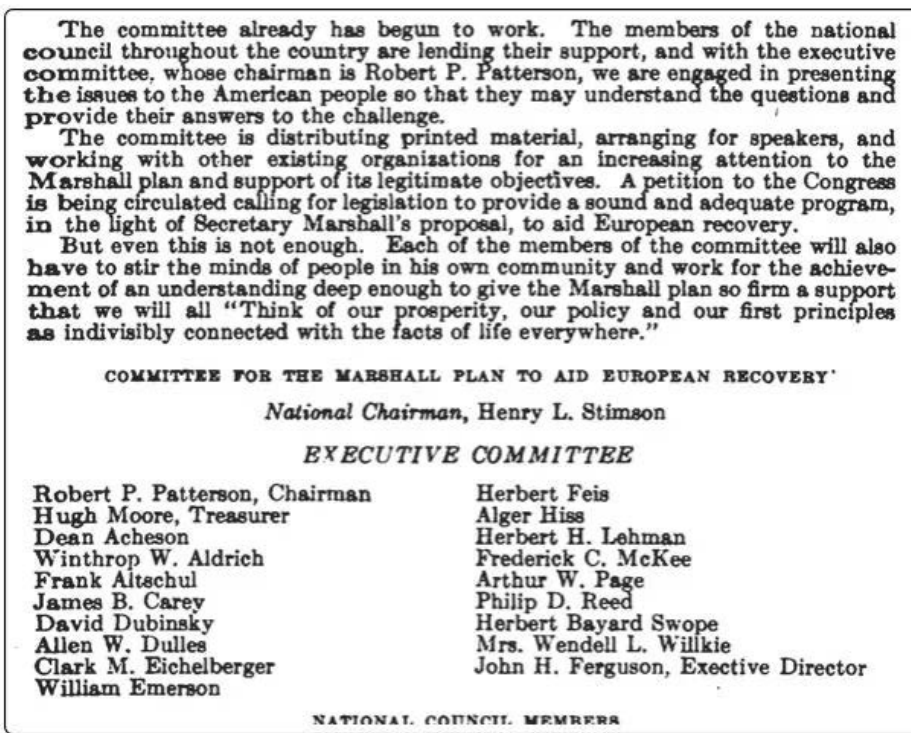

Fig. 16—DEAN ACHESON Statement. (Dec. 17, 1947). H.R. 480, H.R. 4579, Pt. 1 , Dec. 17, 1947 to Feb. 12, 1948, US Foreign Policy For A Post-War Recovery. Marshall Plan funding. U.S. House, 80th Cong., 1st and 2nd Sess, pp. 689-694. GPO.

With the benefit of hindsight, the article was unremarkable anti-Soviet propaganda and saber rattling, evidently intended to frighten Americans into agreeing to provide \$8.5 billion to fund the Marshall Plan Committee's hidden agenda (\$93.5 billion in today's dollars). The ultimate amount provided was \$15 billion, or \$165 billion in today's dollars.

Bayard Swope.

Stimson had appointed Swope to his executive committee a month earlier. Keep in mind, Congress did not create this Committee, the Pilgrims Society did, then pushed it on Congress to approve.

For further context, the American 69th Infantry Division and the Soviet 58th Guards Division had broken the back of the Nazi Army at “[The Meeting at the Elbe](#)” river, also called “The Link-Up,” on Apr. 25, 1945, *just two years earlier*.

Fig. 17—Historic East Meets West—The [American-Soviet Linkup](#) The American 69th Infantry Division the Soviet 58th Guards on Apr. 25, 1945.

The Link-Up is celebrated annually to this day in Torgau, Germany by those Soviet and American veterans, family, friends with full honor guards from Washington and Moscow.

Evidently, the new Soviet menace being spouted by Acheson, Stimson and the Pilgrims Society was merely recycling their long-nurtured Tavistock mind control propaganda fabricated in London starting with Lenin in 1902. The objective was to frighten Americans with the Red Communist Terror in order to get them to agree to fund the Marshall Plan (which will eventually implement communism as one of the end products of the Pilgrims Society neo-imperial takeover).

We have proven in a [previous post](#) that Soviet Bolshevism was *fabricated* in London by the Pilgrims Society. Lenin, Trotsky, Stalin all took their brutal marching orders from the British Pilgrims Society. A seemingly belligerent Russia has been a useful propaganda foe for centuries, and given the fake Steel dossier and the Trump-Russia hoax, it still is.

Fig. 17-Vladimir I. Lenin

ACHESON'S FIRST BIG LIE: OUR MARSHALL PLAN COMMITTEE IS "BROADLY

THE COUNTRY

Acheson’s first big lie was his statement that the membership of the council “is broadly representative of all parts of our national life and all sections of the country.”

According to our best assessment, the 300-person Marshall Plan Committee was exclusively liberals, democrats, socialists, closet communists and left-leaning internationalists. If any reader discovers and exception that that we missed, please let us know.

ACHESON’S EXECUTIVE COMMITTEE WAS THE FIRST “ACELA MAFIA”

Acheson claimed to represent “all sections of the country,” but of the 19 people on his Executive Committee, only four state entities were represented:

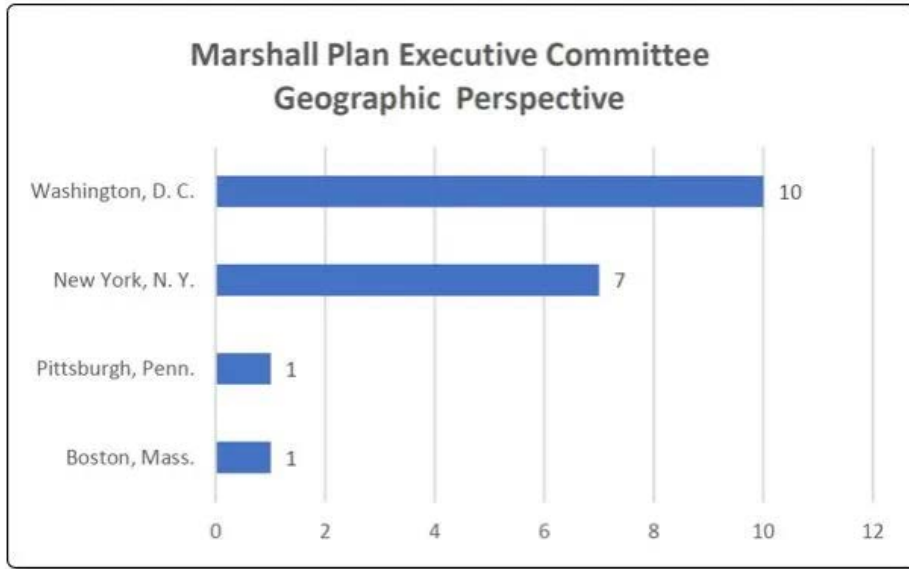

Fig. 18—GEOGRAPHIC REPRESENTATION ON THE MARSHALL PLAN EXECUTIVE COMMITTEE - DEAN ACHESON Statement. (Dec. 17, 1947): H.R. 480, H.R. 4579, Pt. 1 , Dec. 17, 1947 to Feb. 12, 1948, US Foreign Policy For A Post-War Recovery. Marshall Plan funding. U.S. House, 80th Cong., 1st and 2nd Sess, pp. 689-694, p. 84 of ANALYSIS. GPO.

1.	Washington, D.C.	10	(53%)
2.	New York	7	(37%)
3.	Massachusetts	1	(5%)
4.	Pennsylvania	1	(5%)

actual “Deep State” in America.

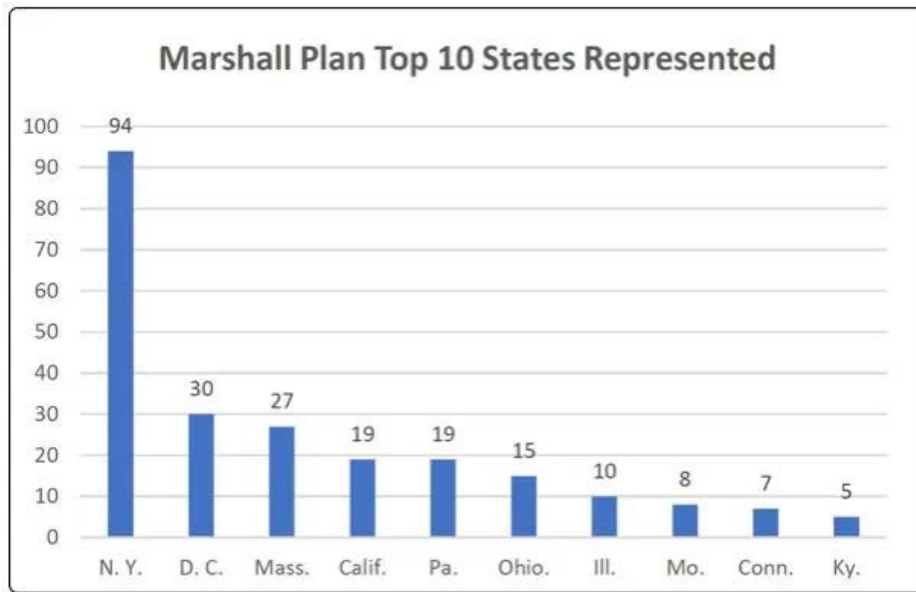

Fig. 18—U.S. STATES REPRESENTED ON THE MARSHALL PLAN COUNCIL - [DEAN ACHESON Statement. \(Dec. 17, 1947\)](#); H.R. 480, H.R. 4579, Pt. 1 , Dec. 17, 1947 to Feb. 12, 1948, US Foreign Policy For A Post-War Recovery. Marshall Plan funding. U.S. House, 80th Cong., 1st and 2nd Sess, pp. 689-694, p. 85 of ANALYSIS. GPO.

The Council Members geography among its 270 members revealed that 206 (76%) of them were from just ten states with 13 states not even represented:

1.	New York	87	(32%)
2.	Massachusetts	26	(9%)
3.	California	20	(7%)
4.	Pennsylvania	19	(7%)
5.	Ohio	15	(6%)
6.	Washington, D.C.	13	(5%)
7.	Illinois	10	(4%)
8.	Missouri	8	(3%)
9.	Connecticut	7	(3%)
10.	Kentucky	5	(2%)
	TOTAL:	206	(79%)

geographic representation is even more skewed to the “Acela Corridor” (Northeast) (64%):

1.	New York	94	(32%)
3.	Washington, D.C.	30	(10%)
2.	Massachusetts	27	(9%)
	TOTAL:	151	(64%)

Did the Marshall Plan create the Acela Corridor?

ACHESON’S SECOND BIG LIE: “BROADLY REPRESENTATIVE OF ... ALL PARTS OF OUR NATIONAL LIFE”

Acheson’s second big lie was that the industries in his Committee were broadly representative of America’s national life. Here is a breakdown of the Top 10 industries represented:

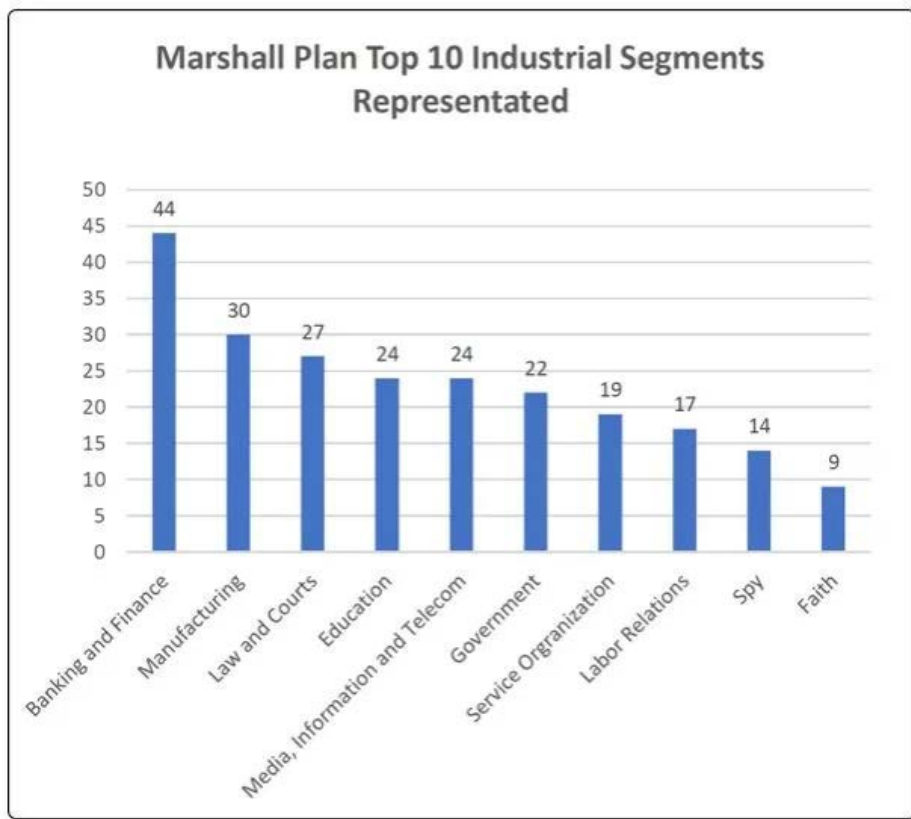

Fig. 18—U.S. STATES REPRESENTED ON THE MARSHALL PLAN COUNCIL - [DEAN ACHESON Statement. \(Dec. 17, 1947\)](#); H.R. 480, H.R. 4579, Pt. 1 , Dec. 17, 1947 to Feb. 12, 1948, US Foreign Policy For A Post-War Recovery. Marshall Plan funding. U.S. House, 80th Cong., 1st and 2nd Sess, pp. 689-694, p. 85 of ANALYSIS. GPO.

2.	Manufacturing	30	(9%)
3.	Law and Courts	27	(8%)
4.	Education	24	(7%)
5.	Media, Information and Telecom	24	(7%)
6.	Government	22	(6%)
7.	Service Organizations	19	(5%)
8.	Labor Relations	17	(5%)
9.	Spy	14	(4%)
10.	Faith	9	(3%)
	TOTAL:	230	(66%)

The Top 10 industries represent 66% of the members of the council. This means the council members are NOT representative at all.

Banking and Financial Service tops the Marshall Plan council list with 44 representatives, or 13% of the interlocking bankers and underwriters who helped develop policy for the Marshall Plan.

Here are their companies. In almost all cases, the banking institution still exists, but often under a new name.

For example, Fidelity Philadelphia Trust Co. is now merged into Wells Fargo Bank.

Here's the list of banks and finance companies disclosed by Acheson:

BOATMEN'S NATIONAL BANK; BOSTON SAFE DEPOSIT & TRUST CO.; CHASE NATIONAL BANK; COLUMBUS NATIONAL BANK; CROCKER FIRST NATIONAL BANK; DEMOCRAT FOR NEW YORK SENATE; FEDERAL RESERVE BANK OF ST. LOUIS; FIDELITY PHILADELPHIA TRUST CO; CARNEGIE ENDOWMENT FOR INTERNATIONAL PEACE TRUSTEE; MARSHALL FOUNDATION CHAIR; EXPORT-IMPORT BANK CHAIR; NATIONAL CITY BANK IN BUENOS AIRES; ROSENWALD FUND; SEARS CHAIR (1932-39); FIRST NATIONAL BANK OF BOSTON; FEDERAL RESERVE BANK ST. LOUIS (1945); FIRST NATIONAL BANK OF PORTLAND; INTERNATIONAL MANHATTAN BANK PRESIDENT (1929-1931); SPECIAL ASSISTANT TO COORD. OF INFORMATION, WILLIAM J. DONOVAN (1941); J. M. FORBES & CO.; CARNEGIE CORPORATION WASHINGTON TRUSTEE; J.P. MORGAN, BANKERS TRUST; STANDARD OIL; FEDERAL RESERVE JEKYLL ISLAND; LAZARD

COMMERCE BANK AND TRUST CO.; MERCHANTS NATIONAL BANK OF MOBILE; NATIONAL CITY BANK OF CLEVELAND; OLD COLONY TRUST CO.; PARSONS INVESTMENT CO.; PHELPS STOKES FUND;; RUSSELL SAGE FOUNDATION; SCHWABACHER CO.; STATE STREET TRUST CO.; TWENTIETH CENTURY FUND; CARNEGIE CORPORATION; WACHOVIA BANK AND TRUST CO.; WORLD BANK – INTERNATIONAL BANK FOR RECONSTRUCTION AND DEVELOPMENT (IBRD)

Media, Information and Telecom represented 24 participants or 7% of the entire Committee. It was a veritable *Who's Who* of interlocking propaganda forces in Britain and America:

AMERICAN TELEPHONE & TELEGRAPH CO. (AT&T); CARNEGIE CORPORATION NY TRUSTEE; ASSOCIATED PRESS (AP); BROWN INSTRUMENT CO.; CBS RADIO; NEW YORK HERALD; FOREIGN AFFAIRS; DENVER POST; THE OREGONIAN, UPI, COLORADO SPRINGS FREE PRESS; COLLIER'S WEEKLY; CBS TV, AMERICAN HERITAGE, DOMESTIC BRANCH, FDR OFFICE OF WAR INFORMATION; GENERAL ELECTRIC CO. the American *and* European post-war economies using their control over manufacturing, judiciary, education, media and government.

The analysis is based on what Acheson *told* us about the Committee.

NOW HERE IS WHAT ACHESON DID NOT TELL US—THESE OMISSIONS ARE EVIDENCE OF A CRIMINAL CONSPIRACY

Acheson did not tell us that:

1. **at least 102 members**
were members of the **Pilgrims Society**, and were therefore aligned with the **Empire Press Union, British MI6, MI5 and GCHQ;**
2. **at least 104 members**
were members of the **Council on Foreign Relations**, and were therefore politically aligned with the **United Nations** new world order agenda of the British-American Pilgrims Society; and
3. **at least 20 members**
were **Spies** working for the British-American Pilgrims Society via MI6, MI5, GCHQ, OSS, the newly forming C.I.A., NSA and FBI, and the newly-formed "Five Eyes" intelligence sharing treason **authorized by Gen. Marshall during WWII.**

THE MARSHALL PLAN COMMITTEE'S ABJECT FRAUD, JUST DISCOVERED

The world economy to this day is based upon it

During the span of time that the Marshall Plan funds were being disbursed in reliance on Acheson's statement (to be true, honest and not deceptive or full of material omissions), Congress passed a series of laws on lying and deceiving Congress (the American People).

[18 USC § 1001 to 1115](#) (Jun. 25, 1948).

The language was strong and direct. Section 1001 said:

DEPARTMENT OR AGENCY OF THE UNITED STATES KNOWINGLY AND WILLFULLY FALSIFIES, CONCEALS OR COVERS UP BY ANY TRICK, SCHEME, OR DEVICE A MATERIAL FACT, OR MAKES ANY FALSE, FICTITIOUS OR FRAUDULENT STATEMENTS OR REPRESENTATIONS, OR MAKES OR USES ANY FALSE WRITING OR DOCUMENT KNOWING THE SAME TO CONTAIN ANY FALSE, FICTITIOUS OR FRAUDULENT STATEMENT OR ENTRY, SHALL BE FINED NOT MORE THAN \$10,000 OR IMPRISONED NOT MORE THAN FIVE YEARS, OR BOTH.

The Marshall Plan Committee willfully falsified, concealed and covered up their seditious Pilgrims Society tricks, schemes and frauds—and massively so.

ACHESON AND THE MARSHALL PLAN COMMITTEE ENGAGED IN SEDITION

THEY FAILED TO DISCLOSE THEIR MEMBERSHIPS IN THREE INTERLOCKED GROUPS: (1) PILGRIMS, (2) CFR, AND (3) BRITISH KNIGHTHOODS

Acheson's statement made false, fictitious and fraudulent representations, by statement, testimony and in writing. See "Report on Interlocking Directorates" above.

WHAT WAS REALLY GOING ON WITH THE MARSHALL PLAN COMMITTEE?

The Anglo-American (British) Pilgrims Society evidently saw their opportunity, in the fog and exhaustion of war, to takeover both the American and European economies in one bold move, through the banks, communications, media propaganda, education and key industries.

William ("Wild Bill") J. Donovan was a member of the committee. He even identified his title as "former director, Office of Strategic Services (OSS)."

This was less than a year after Donovan had failed to convince President Truman to pick him to form the Central Intelligence Agency (C.I.A.) out of his globally-deployed OSS organization.

Truman knew that Donovan had a global “stay behind” network of over 30,000 people that he wanted to re purpose. Truman did not think it wise to put that kind of peacetime power in Donovan’s hands.

DONOVAN DID AN END-AROUND TRUMAN

Not to be thwarted, Donovan brought his Nazi and Japanese gold secrets into the Pilgrims Society Marshall Plan financing agenda. No wonder the banks piled on. Donovan was setting up a secret global financing system and they wanted in on it.

Donovan, as OSS director from his office in Bern, Switzerland where Allan W. Dulles worked for him, had taken possession of all of the gold and silver that had been stolen during the war by the Germans and Japanese.

We believe Donovan had the gold and silver moved from its hiding places around the world to the Bank for International Settlements in Bern, Switzerland.

Nazi and Japanese gold, silver, platinum, gems, jewelry and art and transferred it to fund their Bank of International Settlements in Bern, Switzerland during World War II.

“GOLD POT”

The exact amount that passed through Donovan and Dulles' hands in Basel and Bern, Switzerland is shrouded in classical bureaucratic misdirection.

See [Stuart E. Eizenstat. \(May 01, 1997\). Nazi Swiss Gold Claims, Doc. No. 05, U.S. and Allied Efforts To Recover and Restore Gold and Other Assets Stolen or Hidden by Germany During World War II – Preliminary Study. U.S. State Department.](#)

Donovan, William, Head of the Office of Strategic Services (OSS), 1942-1945.

DuBois, Josiah E., Jr., attorney, Treasury Department, Chief Counsel, Foreign Funds Control, 1942-1944, Assistant General Counsel, Treasury Department, 1944, General Counsel, War Refugee Board, 1944-1945, Assistant to the Secretary of the Treasury, 1945-1946.

Dulles, Allen W., Chief of the OSS Station in Bern, 1943-1945.

Under these circumstances, it is scarcely surprising that implementation of Safehaven measures depended largely on the personalities of the OSS Chiefs of Station and the conditions under which they operated. In Bern, the heart of the Swiss banking and German gold transfer activity, the OSS chief was Allen W. Dulles, later to become Director of Central Intelligence from 1953 to 1962. An East Coast Brahmin with extensive prewar ties to European banking circles, Dulles spent his tenure in Bern constructing an “Old-Boy” network of sources that extended throughout neutral and Axis-occupied Europe. It was an astonishingly successful system, ideally suited to his situation in neutral Switzerland and well-conceived to gain access to European government and business circles. For example, Dulles counted among his close personal friends no less than Thomas B. McKittrick, President of the Bank for International Settlements (BIS) in Basel. McKittrick also was an OSS source who provided Dulles with “comfortable access” to the thinking of the bankers most responsible for moving German assets throughout Europe.³

Fourth, the United States lent its military, material, and moral might to the free world’s fight against Nazi tyranny and led the magnanimous effort to rebuild post-war Europe through the landmark Marshall Plan. It is fair to conclude that on the Nazi gold and assets issues addressed by this report, the role of the U.S. was also positive. The U.S. Government took the lead in economic warfare against the Axis by initiating the Safehaven program with our Allies. The U.S. scored significant successes in blocking German assets from leaving this country and in tracking the flow of Nazi assets, particularly looted gold, to prevent any Nazi resurgence after

Truman, Churchill, and Attlee also reached agreement at Potsdam on a common policy for the disposition of the monetary gold found in Germany (estimated to be at least \$250 million in the U.S. Zone alone, some \$2.4 billion today), as well as the gold that Germany had sold abroad to finance its war machine. They adopted an American proposal to establish a “gold pot” into which the Allies would collect all the looted monetary gold from Germany and from the neutrals, and distribute the resulting amount to the former occupied nations from whose central banks monetary gold had been looted. (By “monetary gold,” the Allies had in mind gold that had been wrongfully removed from central banks—as distinct from “non-monetary” gold owned by individuals). Stalin unilaterally abandoned all claims to the gold found by his Western Allies (but of course the Soviet Union controlled and plundered much of the remaining wealth of the countries the Red Army occupied).

To force Swiss cooperation in these matters, Treasury Assistant Secretary Harry Dexter White insisted that Swiss funds remain blocked in the United States until the Swiss provided iron-clad guarantees that they would identify and seize all accounts under German control. He estimated at \$500 million the sum of German assets in Switzerland, excluding numbered accounts and cloaked assets.

American negotiators had the benefit of two comprehensive appraisals of German gold movements during World War II including the sales of gold to and through Switzerland. A summary chart by Otto Fletcher, Special Assistant to the Division of Economic Security Controls of the State Department, demonstrated from information in captured Reichsbank ledgers that Germany, whose estimated gold reserves at the beginning of the war was \$120 million,² acquired another \$661 million in monetary gold during the war most of which was looted. According to the Fletcher chart, all of the gold sold by Germany after early 1943 was looted gold. The amount of \$276 million in gold was sold to the Swiss National Bank during the war, and “the larger part was looted gold.” An additional \$138 million was “washed through” the Swiss National Bank and eventually sold to Portugal and Spain. This made a total of \$414 million in looted gold sold or transferred to the Swiss National Bank by the Nazis. A separate analysis prepared by James Mann of the Treasury Department estimated the total monetary gold looted by Germany at \$579 million out of a total of \$785 million available to Germany after June 30, 1940. Mann determined, from available ledgers of the Reichsbank, that Germany exported “at least” \$398 million worth of gold during the war, and of this amount “an absolute minimum” of \$185 million must have been looted. Mann concluded that “on the fairest assumptions, the amount of loot [gold] taken by the Swiss from Germany can be estimated at 289 million dollars.”³

Fifth, the report also deals with the hotly debated issue of whether some victim gold was sent to Switzerland and other neutral countries, and whether it was also included in the TGC Gold Pool. This was the Pool into which looted central bank gold was placed for redistribution by the TGC to the governments from which it was stolen during the War. This study concludes that both occurred. The Reichsbank or its agents smelted gold taken from concentration camp internees, persecutees and other civilians, and turned it into ingots. There is clear evidence that these ingots were incorporated into Germany’s official gold reserves, along with the gold confiscated from central banks of the countries the Third Reich occupied. Although there is no evidence that Switzerland or other neutral countries knowingly accepted victim gold, the study provides clear evidence—on the basis of the pattern and practice of Reichsbank gold smelting, the co-mingling of monetary and non-monetary gold, gold transfers and an analysis of a shipment of looted Dutch gold—that at least a small portion of the gold that entered Switzerland and Italy included non-monetary gold from individual civilians in occupied countries and from concentration camp victims or others killed before they even reached the camps.

Eizenstat's report is not void of bureaucratic obsequiousness. For example, he describes the Marshall Plan as a "magnanimous effort to rebuild post-war Europe." Hindsight shows these were tips of the hat to the censors sitting over his shoulders. Almost laughably, he describes the OSS as being shorthanded on other matters, and not able to devote the resources necessary to audit the stolen booty, except by the "personalities" of the OSS Chiefs of Station. Since when did "personalities" do work and take assignments. These and similar comments appear to be a cry for mercy by historian Eizenstat as part of the price he had to pay to get his research past the Pilgrims Society censors.

Dulles' OSS boss Bill Donovan and Dulles were both Pilgrims as we have proven.

Dulles was on the Marshall Plan Executive Committee. Donovan was a member also, along with other OSS operatives.

These Pilgrims were evidently dedicated to Cecil Rhodes' admonition to acquire the resources necessary to achieve their imperial corporatist new world order.

In fact, to this day both the Pilgrims Society in New York and the OSS Society gives competing William J. Donovan Awards® every year. This fact was probably inadvertently revealed by a strange lawsuit filed, then quickly withdrawn without a first pre-trial hearing, in the Southern District of New York in 2009 by The OSS Society. See [The OSS Society v. The Pilgrims Foundation](#), Case No. 1:09-cv-03278 (SDNY 2009).

Evidently, the New York and London Pilgrims Society bankers know who buttered their bread in the Marshall Plan with a "Gold Pot" handled through "numbered accounts and

ACTION ITEMS:

1. Demand that the U.S. Treasury immediately seize J.P. Morgan Chase (read: Rothschild/Rockefeller) assets (including gold and silver) worldwide since these holdings were generated by the Marshall Plan frauds and the earlier Pilgrims Society frauds from the Boer Wars and World War I, among others;
2. Demand that the Marshall Plan corporate and organizational syndicate that benefited from the Marshall Plan (to the current time) immediately disgorges their ill gotten gains, including universities and service organizations with all their fake endowments and fake philanthropy;
3. Cancel all U.S. federal, state and local contracts with British corporations and institutions controlled by the Pilgrims Society that are hiding behind U.S. subsidiary fronts, esp. massive military, defense and technology contracts with the likes of the Privy Council, TheCityofLondonUK, SERCO, QinetiQ, BBC, Daily Telegraph, Reuters, CPU Media Trust, URENCO, Rio Tinto, Lockheed Martin, Crown Agents, Senior Executive Service (SES), AstraZeneca, Wellcome Fund, Meril, Sanofi, Boehringer Mannheim, Roche, Pfizer, UKRI, Pirbright Institute, Imperial Chemical Industries, De Beers, Du Pont, Bank of England, N.M. Rothschild & Sons etc., Investec, Open Society Foundation etc., Oxford, Cambridge and the London School of Economics;
4. Demand that the Pilgrims Society and its Council on Foreign Relations (CFR), and their feeder institutions, disclose full lists of their past and present members (as compared to the shamefully incomplete lists shown on Wikipedia and their websites). This should include such sham fronts as the American Academy of Achievement Awards and other such fake awards ceremonies;
5. Dismiss from *any* contact with U.S. federal and state contracts any American who was, or is, a Rhodes Scholar (Pilgrims recruit), a Schwarzman Scholar (Pilgrims recruit), a Johns Hopkins Center for Talented Youth recruit (Pilgrims recruit), Knight of Malta (Pilgrims recruit), British peer (Pilgrims award), Council on Foreign Relations (Pilgrims feeder); and
6. Write to the Pilgrims Society headquarters in the UK and the U.S. directly and *demand* that they repent of their considerable sins and disgorge their ill-gotten gain, for the sake of their immortal souls.

The primary historical associations among the Pilgrims Society, Bill Donovan, Allan W. Dulles, OSS / CIA / MI6 / NSA / GCHQ / FBI / MI5 / Naval Research / Admiralty / Office of Net Assessment / Crown Agents / SES and stolen Nazi and Japanese gold and the formation of the Marshall Plan is unmistakable

This long, deep association between Wild Bill Donovan— one of the most notorious spies of all time—and the Pilgrims Society is *prima facie* evidence that the Pilgrims Society is a *subversive, seditious* organization.

These findings only scratch the surface of the information that has been hidden from the American people by Marshall Plan-complicit communications, publishing, media, education, labor, church and service organizations.

Stay tuned.

Proof of the Pilgrims sedition in America is pouring out now

PILGRIM MASTERS OF THE 2008 BANK “BAILOUT”

(Church of England) bishop of New York [Mark Sisk](#), were officers in the Pilgrims Society in 2008; along with Rockefeller crony [John C. Whitehead](#).

This was the year *before* the 2008 banking “crisis.” (a Pilgrims Society false flag event).

These men remained Pilgrims officers according to their [2008 IRS Form 990](#).

DONOVAN’S (OSS ALUMNI) FOUNDATION PROVIDED THE U.S. PILGRIMS WITH THEIR TAX-EXEMPT STATUS UNTIL 2002

Remarkably, according to the U.S. Pilgrims [2001 IRS Form 990](#), through 2001, the current U.S. Pilgrims operation had relied upon the The William J. [“Wild Bill”] Donovan Memorial Foundation for its tax-exempt status

Curiously, Kissinger and Volcker had jumped off the board of the U.S. Pilgrims as shown in the [2009 IRS Form 990](#).

WHY DID KISSINGER AND VOLCKER MAKE THEIR 2007-2008 APPEARANCE AS OFFICERS IN THE U.S. PILGRIMS SOCIETY IN TIME FOR THE SO-CALLED 2008 BANK “BAILOUT?”

Surely Kissinger and Volcker did not need more dinners to attend. As the former warmongering U.S. Secretary of State and equally warmongering Rothschild Chairman of the Federal Reserve, respectively, they did not need the influence of the Pilgrims Society politically.

So why did they join? We believe that it was a British Pilgrims Society loyalty test. Most certainly, without their support of the 2008 banking “crisis” false flag, these men could have easily joined some opposing political force, or even exposed the fraud, if they were sitting on the sidelines.

Also, from a Luciferian perspective (which the Pilgrims all appear to be), their demons require their hosts to *expose themselves publicly* to gain more power.

Both Kissinger and Volcker, while certainly proponents of the new world order, had always been coy, never openly acknowledging their direct association with the Anglo-American (British) Pilgrims Society in any biographies that we have been able to find. Perhaps their demons required them to openly confess their dedication to the neo-imperial corporatist new world order of the Pilgrims Society in order to give them more power.

We have just discovered that Paul ADOLPH Volcker chaired the President's Economic Recovery Advisory Board (Feb. 06, 2009 to Feb. 06, 2011).

This means the Anglo-American (British) Pilgrims Society's vice president in the U.S. was driving the reconfiguration of banking for the planet in the aftermath of the "2008 Bank Bailout 'Crisis'"

CLASSIC HEGELIANISM: ONLY FIGHT ENEMIES THAT YOU CREATED

This move is pure Hegelian Dialoectic that Volcker no doubt learned well during his time at the London School of Economics. Volcker orchestrated the very crisis he was then asked by Obama to fix. Vladimir Lenin (1870-1924) echoed philosopher Georg Wilhelm Friedrich Hegel (1770-1831) when Lenin said "The best way to control the opposition is to lead it ourselves."

Seditious Pilgrims Society partners in the 2008 bank "bailout" syndicate

Paul A. Volcker Larry H. Summers John F. Podesta Joseph R. Biden Barack H. Obama

 *On Jun. 07, 1993, Clinton, Bush, Obama consiglieri James P. Chandler III and Chief of Staff John D. Podesta, via the Carnegie Endowment for International Peace, sponsored the "Third CPSR Cryptography and Privacy Conference" to gather intelligence with the objective: 'to require that telecommunications manufacturers and service providers redesign their systems to facilitate wiretapping.'*

Previous to these positions Podesta had been Counselor to Democratic Leader Senator Thomas Daschle (1995–96—while he worked for Clinton); Chief Counsel for the Senate Agriculture Committee (1987–88); Chief Minority Counsel for the United States Senate Judiciary Subcommittee on Patents, Copyrights, and Trademarks; Security and Terrorism; and Regulatory Reform; and Counsel on the Majority Staff of the Senate Judiciary Committee (1979–81).

On Jun. 07, 1993, Podesta and White House security advisor James P. Chandler, III organized a program to approve an FBI backdoor key to all encryption on the Internet. The program was bankrolled by the Carnegie Endowment for International Peace. That "Clipper Chip" proposal was not approved by Congress, so Clinton, Podesta and Chandler cajoled the Department of Commerce to require hardware, software and firmware vendors to include the "DUAL_EC_DRBG" (managed for the NSA by NIST) decryption algorithm in all software sold or use for export (which was everyone). So, they did an end run around Congress (We the People).

Special Note: The Podesta-Chandler-Carnegie agenda in the sidebar was discovered on Hillary Clinton's private server during FOIA discovery by Judicial Watch.

Given the length of time that Podesta ruled the White House since the early 1990's, a major responsibility was selecting Senior Executive Service (SES) for the seditious Anglo-American (British) Pilgrims Society.

Volcker attended the London School of Economics (1951-52) which is a notoriously known training ground for British communists. He also worked in various positions up to vice president and director of Chase Manhattan Bank (Rockefellers, J.P. Morgan, Rothschild) from 1957-62, 65. His roles in gold manipulation are legion. Now we know who was pulling his strings—The [seditious] Anglo-American (British) Pilgrims Society.

Notably, replacing Kissinger and Volcker in 2009 were The Hon. William J. Van Heuvel who became secretary, John R. Drexel IV who became president and Thomas L. Pulling who became vice president.

Heuvel was a protégé of William J. Donovan in the OSS, U.S. Ambassador to the UN European office, chairman, director or member of Time Warner, Roosevelt Institute, Council on Foreign Relations, UN Association, OSS Society. He had been a Pilgrims director off and on, mostly on, for many years. He stepped aside in 2007 and 2008 so Volcker and Kissinger could watch over the 2008 banking "crisis" for the Queen.

managing director of Kidder Peabody and its international subsidiary, among others. Chief Justice John G. Roberts, Jr. was also appointed by the Queen to be a Knight of Malta.

Pulling was managing director of Citigroup, assistant treasurer of J.P. Morgan & Co. He is a director of the Henry Luce Foundation (Time), and member of the CFR and Bohemian Club.

These U.S. Pilgrims Society officers, including our former Secretary of State Henry Kissinger, and Paul Volcker, former chairman of the Federal Reserve, were evidently watching over the Queen's business, not America's.

These are all hard proofs of sedition

More study into the interlocking relationships of these men shows that they are *intimately* tied with all the world's major post-Marshall Plan banking houses in the U.S. and Europe.

Genesis 48

17And when Joseph saw that his father laid his right hand upon the head of Ephraim, it displeased him: and he held up his father’s hand, to remove it from Ephraim’s head unto Manasseh’s head.

18And Joseph said unto his father, Not so, my father: for this is the firstborn; put thy right hand upon his head.

19And his father refused, and said, I know it, my son, I know it: he also shall become a people, and he also shall be great: but truly his younger brother shall be greater than he, and his seed shall become a multitude of nations.

20And he blessed them that day, saying, In thee shall Israel bless, saying, God make thee as Ephraim and as Manasseh: and he set Ephraim before Manasseh

In verse 19 the word multitude means Commonwealth. The word British comes from two Hebrew words Brit = covenant ish = man covenant man. The crown 👑 was to be keepers of the faith but they lost their way. Manasseh is America the 13th tribe of Israel. Ephraim is Britain together they make up the house of Joseph.

I just love how we get all that documentation of the facts from AFI, Michael and his team of miners and Douglas’s comments and then you dear Tyla, cuts to the chase so effectively with action!

I’ve just sent the Pilgrim society your video recording as you’ve asked , and put my2 cents worth in the email.

And what a stunning photo of Donald Trump! Thanks

especially second generation Americans after they have become used to this Country, speak English and associate with other Americans. Then we have to follow the Constitution and see what happens. So let me paste again something I wrote on another website.

These protests and riots show a frustration people have with our government I believe. When we are told to be a part of government and to contact our Representatives over and over it becomes a joke considering the ratio of Reps to citizens is 1 per 700,000+. Washington DC is full of lobbyists to control the vote of our Reps. The Pharmaceutical companies alone have twice as much money spent for lobbyists and to influence our Reps than any other business group and they have more lobbyists than the actual members we have in Congress. Something has to change before we give up on the experimental form of government our first residents started over two hundred years ago.

The Constitution in Article I Section II says:

...The actual Enumeration shall be made within three Years after the first Meeting of the Congress of the United States, and within every subsequent Term of ten Years, in such Manner as they shall by Law direct. The Number of Representatives shall not exceed one for every thirty Thousand, but each State shall have at Least one Representative; and until such enumeration shall be made, ...

The Congress has two sides. One side is the House Of Representatives and it is for the people and the people vote them in. The other is the Senate which concerns itself with the wants of the State Governors or the State Legislature but is voted in by the people because of an Amendment. The Senate is set at two members per state by the Constitution. At the same time the Constitution says the House shall not consist of more than one per thirty thousand citizens but at least one Representative per state. The Constitution does not say it has to be right at that ratio though. With 330 million citizens the House would be upwards of 11,000 Representatives. The Founders figured that the people would have wanted as much representation as they could have so they just put in the maximum number allowed.

The year 1900 after the census the Congress set the House membership at 435. That is where it has stayed. Congress did not apportion the House after the 1910 census or after the 1920 census. I guess it was too hard. Maybe the building was full or maybe they were told not to by the British and the City Of London. Maybe they didn't increase the House because they were told not to by the bankers of the newly created Federal Reserve. Maybe they didn't because the women got the right to vote. Maybe there was so much going on like the airplane and cheap Fords the radio and radar and the first world war. But in 1929 with a congress controlled by Republicans and a Republican in the White House they passed a law to set the House at 435 members. At that same time we entered the Great Depression. Bad Karma if you ask me. Did they have the right to do that? Did they Amend the Constitution by a vote that is Unconstitutional? I say yes. They took away our right that wasn't even in the Bill Of Rights. It is a right spelled out in the document. Read it again above. The language is very clear. You can also go read the law they passed in 1929 called The Apportionment Act Of 1929. They don't give any reason for limiting it at 435. They had no studies done where it was determined by the

debate. It was decided behind closed doors.

We have allowed it to go on for 100 years and it is time to change it and take back our Country. Seven States in the Union still have just one Representative. Just because the Constitution says every State shall have at least one does not mean any state must have one Representative. I'm surprised those seven States haven't done something about it already. Once again it is Congress trying to subvert the citizens right to representation and give it to corporations with money. We need to demand at least 2000 members now and then increase it every two years in future elections up to 1 per 30,000. Within 10 years we could have the House Of Representatives up to where it should be and being represented as we were promised. Just in time for another Reapportionment after the 2030 census. The Constitution says the members will decide how each house operates but says they only have to meet together once a year. We should plan or demand the House members stay in their home district and hire local people for office help etc. They can use the internet for meetings and other communications. Some will have to fly into a central area or Washington DC to manage different government departments from time to time and once a year they will fly to a different arena around the country for a yearly get together. Maybe they will want to tear down the National Mall and build a bigger building for the House to meet in. Maybe they will want to move DC to the center of the Country. The Congress can decide all that. That is not the people's job, all we have to do is vote the members in. They will decide how to do it. Give it consideration. Don't just write it off saying it won't work. The people that ratified it 200 years ago left the words in there as it was written so let's do it before we give up and throw the whole Constitution in the wastebasket. Remember this is not a Constitutional Convention I am talking of. This is much better and easier. Just doing what the Constitution already allows. I suppose the Supreme Court may have to agree to this.

Something people also don't know is when the Bill Of Rights were proposed to be added to the Constitution there were 12 Amendments total. The first one actually named First Amendment, concerned changing the above clause from 1 per 30,000 to 1 per 50,000 in a graduated formula but it also added a clause that the Congress would have been able to limit the House Of Representatives to 200 members. That Amendment did not pass by one state and I'm glad it didn't. That Amendment is still active and could be passed but with more states ratifying it. I don't think it should be ratified but be aware of the fact that the original citizens of the USA left the words in there for us and we must take advantage of them and increase the size of the House to 1 per 30,000 or about 11,000 members. We will get involved back into our country like it used to be and maybe things will stay the same they are now. That is not important how it turns out, it is the process of finishing this experiment we have among us and doing it as it was written.

For one more bit of information Great Britain, Canada, Australia and New Zealand our historic sister countries all have more representation per population and land size than we have. We have a World Police Force and our Dollar is the Reserve Currency in the World yet we are controlled by the fewest people and they have all been corrupted.

to fail, something needs to be done about the Fed and Wall Street Bankers and our leaders are terrible and really seem out of touch. Everyone knows there is a problem and we have to deal with it sometime. Washington DC has become the richest metro area in the USA. I'm to the point of throwing in the towel but happened to read the Constitution again just lately, as it had been years as I'm sure is true of many others, and thought this might be a way to save our country. I have always been proud of America and respected keeping the experiment we had a success. If you feel the same I hope you suggest this to your friends and get people considering the idea. The biggest objection will be too many Representatives will be unmanageable but that has no basis in justice but does in coercion. Of course maybe the laws passed will be actually wanted and needed instead of nonsense for special interest. People always say Congress does nothing but what is wrong with that? Let us live with what was passed for awhile. Pass laws that will last and were well thought out.

As I said I am not concerned for a certain outcome as in Democrat or Republican in fact this may help to lose their grip of Americans. The Constitution does not allow them per say to have power. But we are free to associate. My concern is for the people wanting to be free with life liberty and the pursuit of happiness and I would like to follow through with the original plan and see if it does work or was it destined to fail.

Trump lit a spark under the people but he will be gone in 4 years regardless. If he doesn't have a plan for the future then we will revert back to the current or past ways. You can't keep doing the same thing and expect a different result.

Also consider the time before during and after the Civil War. People were really involved in their government and that is why I said with all the new exciting happenings at the turn of the century maybe the people felt the government would always do them right.

The last thing I will say here, I always thought the Declaration etc. was for the government to get out of the way and some think the government has to provide our life, liberty and happiness instead of allowing it to naturally happen. That will end up being the difference between the People it seems.
