**CURRENT BRITISH PRIME MINISTER SIR KEIR RODNEY STARMER KCB KC HAS NOT A SINGLE BIT OF REAL WORK EXPERIENCE THAT QUALIFIES HIM TO BE DOG CATCHER.**

HE WAS GROOMED BY **THE CITY OF LONDON'S INNS OF COURT** THAT HAS CONTROLLED THE **AMERICAN INNS OF COURT** SINCE 1902 WHEN THE PILGRIMS SOCIETY WAS SPAWNED TO PURSUE AN IMPERIAL BRITISH NEW WORLD ORDER WITH **RE-ANNEXED AMERICA** IN TOW.

Starmer was **Director of Public Prosecutions (DPP)** for the [Crown Prosecution Service \(CPS\)](#) for . ve (5) years (2008-2013). He was so useless at his job that he failed to prosecute notorious pedophile-necrophile **Sir Jimmy Saville**—a close friend of **King Charles**.

Reasonable speculation abounds that Saville was providing fetal tissue and harvested organs to **Big Pharma** through his children's hospital "charities," in addition to pleasuring himself with fresh cadavers.

On Jun. 5, 2016, Saunders dined secretly with **Bruce and Nellie Ohr**, the Department of Justice's and [Senior Executive Service's \(SES\)](#) lawyers and paymasters at the Ohr's home in McClean, Virginia.

This CPS Saunder-Ohrs dinner was just four days before the infamous **Crossfire Hurricane** Trump Tower meeting that shifted the **DNC Trump-Russia Hoax** into high gear.

To complete his grooming the Pilgrims chained him with honorary law degrees from the universities of Essex, Leeds, East London, London School of Economics (communist), Reading, and Worcester. And yet, Starmer has produced a paltry list of published works to justify such honors.

The Pilgrims Society's mission has been to reform the British Empire into a global TheCityofLondon[1] bank-controlled imperial federation and to **annex America in the process**. These ideas were the brainchild of Privy Counsellor Cecil Rhodes, Prime Minister of Cape Colony (British South Africa Company), who wrote that the plan would take 200 years to accomplish. Rhodes also wrote that this plan would not work unless America was subdued. They are 122 years into this plan.

[1] **TheCityof London** is not the same thing as Greater London. It is a one square mile area along the Thames River that was chartered to Babylonian "Radknight"

merchant bankers in 1067 A.D. just after England was conquered by William the Conqueror of France in 1066 A.D. The banking and trade of the empire was to be transacted in this independent geography with its own sheriff, council, laws, courts, aldermen, and mayor, to this day. Paternal membership was restricted from father to son. The modern British peerage system and knighthoods emerged from TheCityofLondon. Its religion is the Babylonian Rādhānite worship of Mammon and usury, pretending to be Christian.

The Pilgrims Society has insulated itself legally, fiscally and morally inside the protective cacoon of the British monarchy. This protects them from their crimes while enriching them and their cronies. When you hear that the monarchy is irrelevant, think the opposite. That is just propaganda to protect the monarchy from the light of truth.

Below the Pilgrims Society are a plethora of organizations formed to recruit underlings to serve their mission. Each of these organizations is peppered with Pilgrims Society overseers who are bankrolled by TheCityofLondon: Bilderberg Group, Aspen Institute, Council on Foreign Relations (CFR), Chatham House, Club of Rome, World Economic Forum (WEF), American Academy of Achievement, Trilateral Commission, Aspen Institute, Senior Executive Service (SES), SERCO Group, QinetiQ Group, Lockheed Martin, BAE, Atomic Weapons Establishment (AWE), Reuters, Associate Press, Carlyle Group, U.S. Patent Office, Democratic Party, Republican Party, DARPA, U.S. Justice and Courts, U.S. Department

of State, CIA, FBI, NSA, NRO, DIA, and U.S. Department of Defense.

In 2009, Pilgrim Society future president Sir Jock Stirrup, Chief of the Defence Staff [sic], excused the death of a soldier to lack of Royal Army equipment while his Carlyle Group-DC-funded Anglo-American company QinetiQ—controlled by the Queen—was given the contract in 2008 to track all *US Army* equipment worldwide.[\[2\]](#)

America's presidents since 1902 have followed the orders of the British Pilgrims Society presidents whose aim has been to ANNEX AMERICA. ## EPILOGUE

**Fig. 1 - TheCityofLondon** is controlled by the British Pilgrims Society, formed in 1902, is the lair of a gaggle of global demons who use banks, military, and propaganda to subdue humanity.

## **TWELVE POINTS TO DEFEAT THE PILGRIMS SOCIETY'S DEMONIC GRIP ON AMERICA & THE WORLD:**

[ *Note: Georgetown historian Carol Quigley does not write about this history at all, see below.*  ]

After the Pilgrims Society was organized in London in **1902** , they developed a [24-point strategy to "Annex America"](#) into their

secretive plan for a one-world imperial government controlled by TheCityofLondon banks, merchants, navy, and newspapers. [In 1908](#), Lillian Scott Troy, an American journalist, discovered their plan. She was initially asked not to publish it by Pilgrim W.T. Stead ("The father of tabloid journalism" and author of "Government by Journalism") who was directing the planning for the First Imperial Press Conference, **1909** that empowered the Babylonian Rādhānite demon of Mammon to torment our lives to this day. Lillian was in London to cover the conference and did not publish it then, but she doggedly exposed key Pilgrims including Andrew Carnegie, JP Morgan, and Elihu Root, calling them the "Benedict Arnold Society" in newspapers. On Feb. 17, **1912** Lillian published the Pilgrims' strategy in San Francisco. Two months later W.T. Stead, who Lillian had convinced that the plan was foolhardy, perished on the Titanic. At the same time, Pilgrim co-founder J.P. Morgan (the owner of the Titanic and its twin, the Olympic) was busy purchasing editorial control of all major

U.S. newspapers for the Pilgrims. Indeed, the Pilgrims have always been sinister megalomaniacs.

### **America's 12-point strategy to throw off the Pilgrims Society's 24-point plan:**

1. Outlaw the seditious "special relationship" of surveillance and population control called "Five Eyes."

2. Banish, or heavily tariff, TheCityofLondon banks from all financial activity in America, most especially the Federal Reserve Bank, Bank for International Settlements (BIS), NYSE, NASDAQ, Cede & Co, DTCC, Chicago Board of Trade, World Bank, IMF, European Bank for Reconstruction and Development (EBRD), ban derivatives, bank stock and corporate holdings, ban Reuters (Rothschild, Barings, Warburgs, Barclays, NatWest, Coutts, and their ilk) from ownership in US exchanges, ban KYC ("Know Your Customer" that is managed offshore), delink NYSE and FTSE.

3. Banish, or severely restrict, all British media (Pilgrims) propaganda, esp. Pilgrims-controlled Reuters, Associated Press, *The Daily Mail*, *The Daily Telegraph*, *The Financial Times*, *The Economist* (Rothschilds), *The Guardian*, *The Observer*, *The Daily Mirror*, *The Sun*, *The Spectator*, *Sunday Mirror*, *Metro*, *Evening Standard*, *Daily Express*, ITV, BBC, DSMA Committee in American life and culture, esp. TV, movies, publishing, news, and advertising—all offspring of the Pilgrims' [First Imperial Press Conference, 1909](#) where modern mind control, propaganda, "'creating' public opinion," false flags, biotech warfare, and surveillance grew horns.

4. Being a lawyer is a privilege, not a right; prohibit American lawyers from having actual or honorary titles of nobility (13th Amendment—no "Esquire" titles); prevent lawyers from being judges, being law makers, holding political office, being lobbyists, or being members of the Inns of Court, Inner Temple, Middle Temple, Temple Bar, King's Court, or conspiring in bar associations—all hidden agenda caldrons against We

*The People*; discipline attorneys and judges only with rotating lay citizens; almost half of Congress are lawyers (of the Crown) who do little but stir up controversy and charge outrageous fees that only fellow conspirators against America can afford; disconnect all their interlocking relationships.

5. Prohibit family, faith, human, country-destroying promotion of eugenics, abortion (Babylonian child sacrifice), assisted suicide and LGBTQIA2S+ curricula in education, media, public health, and government.

6. Bar participation of British citizens in U.S. government, public corporations, public contracts, and NGOs, e.g., Fiona Hill.

7. Cancel dual American-British citizenship (allegiance cannot be both ways).

8. Ban SERCO Group Plc (UK) and its subsidiaries and its interlocked conspirators from processing patent applications at the U.S. Patent and Trademark Office.

9. Close the American operations of SERCO (UK) and interlocked relationships, QinetiQ (UK) and interlocked relationships, Lockheed Martin, BAE, Strategic Communication Laboratory and interlocked relationships, Crown Agents, Royal Over-Seas League, Prince's Trust, King's Trust, English-Speaking Society, Pilgrims Society, American Academy of Achievement, Rhodes Scholarship (recruitment of Americans), Schwarzman Scholarship (recruitment of Chinese), bar all entities controlled by the British Monarch's preferred "golden share."

10. Close the Senior Executive Service (SES) and disperse government agencies away from Washington, D.C., New York, Chicago, Boston, Atlanta, LA, San Francisco, Austin, and the left and right coasts; implement substantive competitive bidding and abolish interlocked cronyism in public contracts.

11. Shut down TheCityofLondon-funded biotechwarfare research, especially Wellcome Trust, The Pirbright Institute, Rothschild Asset Management, Pfizer, AstraZeneca, GlaxoSmithKline, Sanofi, BioNtech, 46 U.S.-funded L4 labs in Ukraine, DEFRA, UKRI, Ft. Detrick, Merial-Boehringer Ingelheim Animal Health, and their ilk.

12. Cease all TheCityofLondon-funded wars immediately (all wars); these wars are merely excuses to hide crashes of fiat currency usury, seize property, seize human creativity, and maintain demonic bloodlines.

**The 12-point list above are the virtues needed to *counter* the vice-outcomes of the 24-point Pilgrims Society plan. America and humanity must make a conscious, concerted effort to *reverse* the Pilgrims' vices with the Christian virtues of faith, hope, and love in our lives, communities, governments, and nations.**

With the help of God we will achieve this virtuous higher ground. **Satan, get behind us.**

**"WOULD ĀNNEX ĀMERICĀ."**

# WOULD ANNEX AMERICA.

## Suffragette Says This Is Purpose of British Peace Mission.

LONDON, May 12.—Miss Lillian Scott Troy, a novelist and magazine writer from San Francisco, who interested herself in obtaining the release from prison of Miss Zelle Emerson, a Michigan suffragette, has written a letter to Senator O'Gorman, which contains some extraordinary charges against Andrew Carnegie and other noted Americans.

Senator O'Gorman should receive the communication tomorrow. In it Miss Troy makes the extraordinary allegation that the annexation of the United States to England is the ultimate object of the peace movement promoted by Mr. Carnegie and others.

The accusations by Miss Troy became known here today. They are not taken seriously.

She names Elihu Root and the late John Hay as prime movers in behalf of the peace propaganda, since the inauguration of which, she declares, the relations between the United States and Germany and the United States and Japan have become strained.

Miss Troy suggests it is to England's interest to see the United States weakened in conflict with Germany or Japan. She asserts that while Theodore Roosevelt was in Africa the duke of Connaught's aid suggested he should influence the United States to hand the Philippines over to Japan; that the idea of the arbitration treaties was not Taft's, but that of Carnegie and King Edward, who sent it to America to be labeled "Made in the U. S. A.;" The Hague tribunal is essentially a British product, instituted simply for the ultimate undoing of the United States, and that Dr. Nicholas Murray Butler, president of Columbia University, and others are rewriting American history to disparage the heroes of the Revolution.

Note: **Columbia University** president [Nicholas Murray Butler](#) served as president of the **Pilgrims Society** of the United States "branch" from 1903-1945. He oversaw the organizing of the **First Imperial Press Conference, 1909**, oversaw the recruitment of **Franklin D. Roosevelt** , **David Sarnoff (RCA, NBC)**, **J. Edgar Hoover (FBI)** , Anglican **Bishop Henry C. Potter** into the Pilgrims Society.

**Elihu Root** was co-founder of the **Pilgrims Society** (1902); former **U.S. Secretary of War** (1899-1904); **U.S. Secretary of State** (1905-1909); **NY U.S. Senator** (1909-1913); founding president, **Carnegie Endowment for International Peace** (1910); Nobel Prize (1912); founder, **Council on Foreign Relations** (1918). He was also personal attorney to **J.P. Morgan** and **Andrew Carnegie**.

**John Hay** was **U.S. Ambassador to the Court of St. James** where he promoted annexation of America by Britain. He once described (banker) war "as necessary as it is righteous" and described another war as "a

splendid little war"--he was a  
Pilgrims Society merchant-  
banker warlord *par excellence*.
