# HARBORNE, QINETIQ, PILGRIMS SOCIETY EXPOSÉ

## Harborne's Financial Stake in QinetiQ and Implications for U.S. Sovereignty

Even **RT** and the **Guardian** are finally getting it right about calling out the British Pilgrims Society treachery, indirectly at least. We'll fill in the unspoken elephant in the room (as we have been doing for years!)

**Christopher Harborne**, a British-Thai citizen and the largest individual shareholder in QinetiQ with a 13% stake (approximately 70.6 million shares valued at £360 million as of October 13, 2025), holds a position in a company formed with American funds but

controlled by the British Crown. QinetiQ was established in 2002 from the UK's Defence Evaluation and Research Agency (DERA), with initial funding from the Carlyle Group under Glenn Youngkin (now Virginia Governor) as a founding director, alongside George Tenet (former CIA Director) and Edward Giambastiani (retired U.S. Navy Admiral, Vice Chairman of the Joint Chiefs of Staff). This American involvement in a Crown-controlled entity constitutes treason, as it involves undisclosed conflicts that compromise U.S. sovereignty by directing U.S. resources to foreign control.

Christopher Harborne, now going by Chakrit Sakunkrit, took on this new identity in 2011 after obtaining Thai citizenship, apparently attempting to shield himself from liability related to his substantial stake in the British-American firm QinetiQ. This name change doesn't fool us, "Chakrit." What Englishman with any sense of pride would so easily discard his birth name?

The Crown's golden share, held by the Secretary of State for Defence, provides veto power over ownership, board decisions, and assets, ensuring Crown economic control over QinetiQ (see billions of dollars in American contracts below). This extends to its U.S. contracts, involving American military technology and funds. Harborne's dual citizenship and stake in this Crown-managed company, along with his political donations, undermine U.S. interests.

## **Harborne's Funding of British Political Figures and Pilgrims Society Influence**

Harborne has donated £1 million to Boris Johnson's private company in 2022 and over £13.7 million to Nigel Farage's Reform UK. These funds supported Johnson's October 2025 trip to Ukraine, where he and Harborne met Ukrainian leaders to advance British-Ukraine policy. This connects to Pilgrims Society members Fiona Hill (former Trump NSC Russia expert) and Air Marshal Jock Stirrup (current Pilgrims Society president), who support Western actions against Russia. The Pilgrims Society, founded in 1902 by Rothschild, Milner, and Rhodes to establish a new imperial one-world government including annexing America back into the British Empire (as detailed in "Lillian Scott Troy: She Unmasked The British Pilgrims Society Plot to Annex America" by Michael T. McKibben), uses such networks to leverage U.S. resources for British and EU goals, including influencing Russia policy.

**Christopher Harborne, aka Chakrit Sakunkrit.** Jesus Christ: “The eye is the lamp of the body. If your eyes are unhealthy, your whole body will be full of darkness.” Mathew 6:24-25.

Harborne’s support for Boris Johnson and Nigel Farage, linked to a plethora of Pilgrims Society figures, indicates interlocking relationships. The principle of ongoing leverage—once linked, always linked—applies, with shared interests ensuring continuity. This network, supported by the Crown’s golden share, threatens U.S. sovereignty by directing American resources toward British-led geopolitical objectives against Russia.

## **Evidence of Treasonous Interlocks**

- **QinetiQ’s American Origins:** Formed with Carlyle Group funds and directed by Glenn Youngkin (current Virginia governor), George Tenet (former CIA Director), and Giambastiani (former Vice Chairman of the Joint Chiefs of Staff), QinetiQ’s structure relied on U.S. input, controlled by the Crown’s golden share from inception, breaching sovereignty.
- **Harborne’s Role:** His QinetiQ stake and funding (e.g., Boris Johnson’s Ukraine trip, Nigel Farage’s Reform UK) direct U.S.-derived benefits to British interests. Will we next

see TP-UK connections with Harborne (Turning Point UK) bankrolled by Rothschild-linked metals Baron Michael Farmer, whose son George married **Candace Owens** who co-founded TPUK?

[Can UK cats dig into this possible interlock because something just doesn't smell right about the well-staged Charlie Kirk incident, replete with no blood at the scene, odd responses to a brutal shooting, no one rushed to his aid, his ring switched fingers during the shooting video (showing bad stage craft), holographic camera behind him quickly removed, the threadbare "lone gunman" trope, his no-blood body quickly whisked away after the alleged shooting, no autopsy. This does not even count the ballistics impossibilities.]

- **Pilgrims Society Interlocks:** **Fiona Hill** (Trump-Russia hoax, and **Air Marshall Baron Jock Stirrup**'s (the Keeper of the Sword of State) involvement as current president of the British Pilgrims Society, with Harborne's funding, shows coordinated use of U.S. power for British/EU aims.

**QinetiQ Holdings Limited, Co. No. 4586941 (UK)**

(aka QinetiQ Group Plc and over 60 subsidiaries and affiliates, as of 2019 Annual Report)

A British Monarch-controlled Intelligence, Biowarfare and Propaganda Company that Directs the C.I.A., FBI, Navy, DoC, DoJ, FEC, OPM, GSA, Army and Department of State from secret Ministry of Defence bunkers at Pirbright, co. Surrey, UK

Remarkably, these QinetiQ Annual Reports document treasonous racketeering among the British Pilgrims Society, Crown, Privy Council and MI6 with the U.S. Pilgrims Society, Senior Executive Service (SES) and C.I.A.—all unelected bureaucrats who obsess over dominating their fellow man. For example, on Oct. 24, 2006, former C.I.A. director George Tenet became a Queen's QinetiQ director. On Jan. 02, 2008, retired Vice Chairman of the Joint Chiefs of Staff Admiral Edmund Peter Giambastiani Jr. also became a Queen/s QinetiQ director. Both men have steered over \$8 billion in U.S. federal contracts in defense, technology, space and military contracts that were evidently arranged from them by Tenet and Giambatiani and not awarded to American companies instead. The QinetiQ directors pledge fealty to the British Monarch, not the American Republic.

Need more information. In general look at Disney's top three institutional shareholders for all the answer you may need: **Vanguard, BlackRock, and State Street**. Of course they are Pilgrims Society directed! The same three control Microsoft, Oracle, IBM, Amazon, Walmart, Apple, CVS, Exxon, Chevron, Bank of America, AT&T, Boeing, Caterpillar, Merck, Pfizer, Delta, ConocoPhillips, Tyson Foods, Coca-Cola, Thermo Fisher, Scientific, Best Buy, Qualcomm, Starbucks, Visa, Cummins Diesel, Carrier, 3M, Waste Management, State Street, CDW, Sherwin-Williams. The devil is revealing his method, are we going to acquiesce. That leads to demon oppression, then maybe outright possession as your 401Ks feed from this through.

I note that ALL Freemasonry is beholden through rituals and in the higher levels,

blood oaths, to the Freemason's Grand Patron. After kicking the British Empire and their Israel stooges and taking away OUR MONEY, I do sense a bit of resentment from the LDS/Freemason/Rothschild/stooge alliance. -Since I have met with LDS church sodomy tyranny to the point of successful violent resistance, I take recent developments since 2019 November Wuhan 5G COVID attacks, I see an immediate need for intense education of the CFR hypnotized public, lest they become roadkill, courtesy of these tyrannical swine. Netanyahu/Sullivan claims that the internet and social networking is the next battlefield. I type with my two index fingers, so I am no threat. The Pilgrim Society information is a lifetime of A+'s – for you folks. The world, including myself, owes a tremendous debt to you, including McKibben. I am a dog chasing a car compared to you guys and gals. I received the highest 'A' grade in my 200 member syllogistic logic class by a full 50% in Seattle, including several Microsoft wannabes. You folks STILL make me feel like a dog chasing a car. I like that. I destroyed my feet hunkered over my computer to combat the 'COVID-19' fraud for several months. I am told that a good mattress and enforced sleep will solve that. Mange takk, HTLIII

Do have particular contracts in mind, or the general Rothschilds quid pro quo with the Rabbis, including the Burlas (Borla) to fund settlements in exchange for economic control?
