Harry Musk was born on November 15, 1863, in Suffolk, England, United Kingdom
He passed on September 12, 1917, in Johannesburg, City of Johannesburg Metropolitan Municipality, GP, South Africa.

He is the son of Henry Musk and Charlotte Lane Musk, and the husband of Lucy Frances Champion Musk and the father of Walter Henry James Musk, the Great Grandfather of the world-famous entrepreneur, Elon Musk.

His sister is Elizabeth or Eliza Musk who seems to be married to William Bridgeman.

This Musk line connects to the Warren lines of Kent, England of Sir Thomas Warren through Mary Warren Musk.

Researcher's Notes:

Errors in the Musk name on 2 profiles:
Eliza Musk & William Exning Bridgeman:

This lineage is being mixed up with the Surnames of Bridgeman and Musk, this lineage of Eliza Musk & William Bridgeman would be of Bridgeman, not Musk.

This is a branch of "Bridgeman" with a maternal line of Musk. This confuses researchers and should not be in the Paternal line of Musk unless the info is incorrect and needs corrected.

Exning, Suffolk, England is a village Township, perhaps which may have caused some confusion in these names.
