It adds: "The cost of waste and the value of the work of the GLC should be considered from a business point of view." On the whole, the GLC is asking for higher expenditure on its social work, and more savings on its administrative work.

The centre was opened by Mr. Robert Stow, who is a pupil at the school.

LOLLIPOPS GALORE!

Stewart and Carry went out on an early crossing on the Centre's launch. Twelve lucky pupils of Bexley Manor Middle School went along to add realism to the crossing and excitement to the occasion. The centre was opened by Mr. Stow and Mr. Robert Stow, who is a pupil at the school.
