Statements relating to deceased honours recipients

September 2021

James Wilson Vincent Savile

Statement regarding James Wilson Vincent Savile following allegations of numerous crimes of a sexual nature:

The Forfeiture Committee considers recommendations to remove honours from individuals where a recipient has brought the honours system into disrepute. The Forfeiture Committee is not an investigative body and is unable to make a determination of guilt or innocence. Orders of Chivalry are living Orders and individuals cease to be a member when they die, therefore honours can not be removed from individuals now deceased.

James Wilson Vincent Savile was awarded an OBE in 1972. He was knighted in 1990. He died on 29th October 2011. The Director for Public Prosecutions has since stated that criminal prosecutions should have occurred during his lifetime, based on the evidence. The Forfeiture Committee can confirm that had James Wilson Vincent Savile been convicted of the crimes of which he is accused, forfeiture proceedings would have commenced.

Cyril Smith

Statement regarding Cyril Smith following allegations of numerous crimes of a sexual nature:

The Forfeiture Committee considers recommendations to remove honours from individuals where a recipient has brought the honours system into disrepute. The Forfeiture Committee is not an investigative body and is unable to make a determination of guilt or innocence. Orders of Chivalry are living Orders and individuals cease to be a member when they die, therefore honours can not be removed from individuals now deceased.

Cyril Smith was awarded an MBE in 1966. He was knighted in 1988. He died on 3rd September 2010. Greater Manchester Police have since stated that criminal prosecution should have occurred during his lifetime. They added that there was 'overwhelming evidence' that he had sexually and physically abused young boys. The Forfeiture Committee can confirm that had Cyril Smith been convicted of the crimes of which he is accused, forfeiture proceedings would have commenced.

February 2024

Peter Sherwin

The Forfeiture Committee considers recommendations to remove honours from individuals where a recipient has brought the honours system into disrepute. The Forfeiture Committee is not an investigative body and is unable to make a determination of guilt or innocence. Orders of Chivalry are living Orders and individuals cease to be a member when they die, therefore honours can not be removed from individuals now deceased.

Peter Wallace Sherwin was awarded an MBE in 1987. He died on 15th June 2014. The West Midlands Police have since confirmed that witness statements have been taken in relation to allegations made against him since his death, and a crime of rape of a child under the age of 13 has been recorded as being suspected to have occurred. The Forfeiture Committee can confirm that had Peter Wallace Sherwin been convicted of the crimes of which he is accused, forfeiture proceedings would have commenced.
