Nano Today - Editorial Board

Editor In Chief

Professor Yuliang Zhao, PhD
National Center for Nanoscience and Technology, CAS Key Lab for Biomedical Effects of Nanomaterials and Nanosafety, China
Nanotoxicology and Nanobiomedicine, Nanochemistry and Nanomaterials

Editorial Office: nanotoday@nanoctr.cn
Editor Emeritus

Professor Jackie Yi-Ru Ying
NanoBio Lab, Singapore, Singapore

Editorial Board

Professor Flemming Besenbacher (https://www.journals.elsevier.com:443/nanotoday/editorial-board/professor-flemming-besenbacher)
Aarhus University Interdisciplinary Nanoscience Center, Denmark

Professor Sangeeta Bhatia
Massachusetts Institute of Technology, United States
Professor I-Wei Chen
University of Pennsylvania Hillel, United States

Prof. Dr. Harald Fuchs
University of Münster, Germany

Dr. Herbert Gleiter
Helmholtz Nuclear Research Centre Karlsruhe, Germany

Professor Michael Grätzel
Federal Polytechnic School of Lausanne, Switzerland
Solar cells

Professor James Heath
California Institute of Technology, United States

Professor Allan Hoffman
University of Washington, United States

Professor Taeghwan Hyeon
Seoul National University School of Chemical and Biological Engineering, The Republic of Korea

Assoc. Professor Cherie Kagan
University of Pennsylvania Hillel, United States
Professor Kam Leong, PhD (https://www.journals.elsevier.com:443/nano-today/editorial-board/professor-kam-leong-phd)
Columbia University Department of Biomedical Engineering, United States
Biodegradable drug carriers/polymers; Non-viral gene delivery and Immunotherapy; Drug Delivery; Tissue Engineering scaffolds

Professor Charles Lieber
Harvard University Department of Chemistry and Chemical Biology, United States

Center for Cooperative Research in Biosciences, Spain

Dr. Dan Luo
Cornell University, United States

Professor Thomas Mallouk (https://www.journals.elsevier.com:443/nano-today/editorial-board/professor-thomas-mallouk)
University of Pennsylvania, United States

Prof. Dr. Chad A. Mirkin
Northwestern University Department of Chemistry, United States

Professor Chung-Yuan Mou (https://www.journals.elsevier.com:443/nano-today/editorial-board/professor-chung-yuan-mou)
National Taiwan University, Taiwan

Professor Paul Mulvaney (https://www.journals.elsevier.com:443/nano-today/editorial-board/professor-paul-mulvaney)
University of Melbourne School of Chemistry, Australia

Professor Christopher Murray
Emory University, United States

Professor Xiaogang Peng
Zhejiang University, China

Professor Chintamani N. R. Rao
Jawaharlal Nehru Centre for Advanced Scientific Research CSIR Centre of Excellence in Chemistry, India

Professor Ryong Ryoo
Korea Advanced Institute of Science and Technology, The Republic of Korea

Professor Francesco Stellacci
Massachusetts Institute of Technology, United States

Professor Galen Stucky
University of California Santa Barbara, United States

Professor Shouheng Sun
Brown University, United States

Professor David Tirrell
California Institute of Technology, United States

Professor George Whitesides
Harvard University, United States

Professor Younan Xia
Assoc. Professor Hong Yang
University of Illinois at Urbana-Champaign, United States

Professor Peidong Yang
University of California Berkeley, United States

Professor Dongyuan Zhao
Fudan University Department of Chemistry, China
