## Jeff and Kari Met While Working at The Same TV Station

*image source*

Jeff Halperin and Kari Lake got married on September 26, 1998, although it was not the first marriage for Kari as she was once married to Tracy Finnegan an electrical engineer, before meeting Jeff Halperin.

There isn't much information available about their relationship, but sources claim that Jeff and Kari met while working at the same TV Station in Phoenix, Arizona. They struck up a conversation, became friends, and from there began a relationship that has since blossomed into a lifelong friendship.

The pair so far have enjoyed marital bliss and are living happily together. Their marriage is blessed with two adorable children: a daughter named Ruby Halperin, who was born on March 30, 2003, and their son Leo Halperin who was born on October 10, 2008.

### Jeff Halperin's Wife is a Republican Politician and a former TV News Anchor

Jeff Halperin's wife, Kari Lake, according to the information gathered, is a former broadcast journalist and a

After beginning her career as a news reporter in Rochester, Minnesota, Jeff's wife later made the decision to relocate to Arizona in 1994. She continued to work as a news anchor in Phoenix for more than two decades, where she established a reputation and gained notoriety for her outspoken and occasionally divisive opinions on a range of subjects.

Lake made the decision to leave journalism in 2019 in order to enter politics. In 2022, she ran for governor of Arizona under the Republican Party banner. Lake lost to Katie Hobbs of the Democratic Party, ending her chances of becoming governor. She continues to be a well-known conservative leader in Arizona despite the defeat, and it is anticipated that she will stay active in politics.

Her political opinions have generated debate. She has come under fire for spreading conspiracies, including erroneous allegations of widespread voter fraud in the 2020 US presidential election. Additionally, she has been charged with endorsing extremist viewpoints and associating with far-right organizations.

## Kari Lake's Husband, Jeff Halperin, is a Known Videographer

Jeff, according to sources, began working as a news editor and journalist. He worked alongside his wife, Kari Lake, in the same local station in Phoenix, Arizona. His first job was in 1994 at NBC News, where he worked as a news editor and photographer for four years.

Going ahead in his career as a news photographer, he worked for WNYT-NY before deciding to strike out on his own as a freelance videographer. He currently owns ZenHD/ZenVideo, a fully-fledged production company with headquarters in Arizona that provides all types of video production services, including broadcast, web production, and more.

Halperin registered a new company called "Awake Media LLC" in Maricopa County in March 2021, with his wife listed as the manager, despite the fact that his company is not listed as an independent business on the Arizona Secretary of State's website.

Additionally, he participated in the production of the ESPN E:60 documentary "Enes Kanter: Enemy of the State," which explores the political activism of Turkish-born professional basketball player Enes Kanter. Although he did not win, Halperin and his team were nominated for a 2020 Emmy in the category of "Outstanding Sports Journalism" for his work on the documentary.

Being a very private person, Jeff Halperin has avoided most social media sites, with the exception of Facebook, where he has an account but rarely posts anything. He wasn't active on social media, but his wife's accounts allowed for the detection of his presence.

## What Is Jeff Halperin's Net Worth?

Jeff Halperin's net worth is estimated to be around \$500,000, which is gotten from his previous job as a news editor working for TV stations. He also earns a good living as the CEO of his company ZenHD/ZenVideo.

However, his wife Kari has a net worth estimated to be \$3 million, which is gotten from her job as a former journalist and politician.
