

Why did the British Pilgrims Society laired in The City of London allow the 12+year persecution of Julian Assange to end abruptly on June 24, 2024, on the eve of the U.S. Presidential election?

Part of the plea bargain was Wikileaks must remove the “classified” Podesta emails from We The People access and review

No coincidence that Assange has been released from prison at the same time Hildabeast is positioning herself to replace Biden.

Only the Clintonistas would have the political clout to make a deal for Julian Assange’s silence and the removal of the Podesta emails (so-called “classified materials”) from Wikileaks. Hildabeast thinks she is playing high-level chess with this move, when it is a ‘checker move’ of a limited thinker from the “old world”.

Figure 1: The Hildabeast a.k.a. Hillary Rodham. Clinton

Hildabeast and her ilk have no awareness of how social networking has awakened thousands of people to go way, way beyond Podesta-Pizzagate-Pedophilia-FrazzleDrip revelations, to see the truth of how humanity has been imprisoned in Ahriman’s matrix, a demiurge that gives continuous birth to archons and demons that have administered the material world for thousands of years.

The demons take possession of human entities when they begin to fall into the vices, the Seven Deadly Sins. The way “out” of this matrix is your individual choice to follow Christ and the virtues. The keys to the prison doors are inside of you.

We exit the matrix by being conscious of its existence as a “being” that has imprisoned and enslaved humanity. It is beyond the span of a single human life or a few generations of a Pilgrims Society family. The demiurge is a ‘being’ that has grown over thousands of years and lodges itself in institutions and customs that carry it through time and space. The evil, corrupt, and ungodly people we see around us have opened themselves up to demon possession by falling into vices.

Hildabeast is as much trapped in this matrix as those who still haven't taken the red pill. Julian Assange's release will cast even more light on Hildabeast's evil machinations, much which has already been disseminated through social media over the last 5 years. Hildabeast cannot wipe away truths that are now in the consciousness of millions.

Pictured below is an artistic representation of the demiurge. Looks like Hillary Clinton to me.
