J.D. VANCE'S HINDU WIFE USHA IS AN EVIDENT HANDLER OF J.D. VANCE FOR THE BRITISH PILGRIMS SOCIETY

[Click here for a PDF version of this post.](#)

Usha's resume is just too full and too perfect for a 38-year old with no real-world experience.

Who works at six (6) law firms or courts, including as clerk for Chief Justice John Roberts, *before* sitting for her bar license? (Among other anomalies, that lack of a law license conveniently exempts her from having to follow the conflicts of interest ethics demands of the Rules of Professional Conduct.)

Usha has worked for law firms associated with **The Clinton Foundation, Hillary Clinton, Bill Clinton**

Academy Awards Council member Bill Clinton, 42nd President of the United States, with 2017 honoree English actor Sir Michael Caine and guests at the honoree reception prior to the Banquet of the Golden Plate ceremonies.

Proximity makes the heart grow fonder (not to mention their money in your purse)?

Usha was paid to attend **Cambridge University** in the UK by the **(Sir) Bill and Melinda Gates Foundation** – notorious, 2005 knighted members of the **British Pilgrims Society** who funded with The Pirbright Institute (UK), holder of 11 Coronavirus patents

Has JD Vance disclosed any of Usha's conflicts of interest like his ethical oath requires him to do?

The Mockingbird Press has now flooded the zone with Usha puff pieces. Just google her name and see the fare dished up: AP, Reuters, BBC, ABC News, NBC News, CBS News, PBS, Times of India, Axios, Wall Street Journal, The Guardian, The New York Times, YouTube, The Hill, Washington Post, MSNBC News, CNN, The Daily Beast, Facebook, Business Insider, USA Today, People, Fox News, Law.com, The Sun, DW, The Independent, Yahoo News.

Yada, yada, yada. Same old same old Pilgrims Society “government by journalism.”

July 18, 2024 – A telltale sign that Usha is a Pilgrims Society groom is the speed at which Newsweek has come to her defense while they peppered their commentary about the lackluster response of MAGA-supporters to JD Vance, painting them as extremist country bumpkins. Time (a notorious Pilgrims Society propaganda rag) tossed in a puff piece replete with cutie photos.

These self-anointed elitists are consistently haughty and condescending. Do they not realize that this consistent behavior gives them away?

Usha's Pilgrims grooming started immediately after high school.

She received both a BA and JD from Yale – classical CIA grooming venues notoriously controlled by secret societies like Skull and Bones.

In fact, she met JD Vance at Yale. She was placed as editor of both the Yale Law Review and Yale Journal of Law & Technology. This is overkill for a non-groom.

To get her Chinese grooming, she was sent on a fellowship to Sun Yat-sen University, Guangzhou, China.

Then, Bill & Melinda Gates paid for her fellowship to Cambridge University.

Note: Gates is a chief funder of The Pirbright Institute in the UK that holds more than 11 patents on Coronavirus in collaboration with

DARPA, MI-5/MI-6, and Anthony Fauci. Likewise, Vivek Ramaswamy's

Christian name chosen in classical Sabbatean style). Move along, nothing to see here.

In 2012, Usha was placed at Williams & Connolly LLP. This is Bill and Hillary Clinton and the Clinton Foundation law firm! See proof links in table below.

Usha was then magically groomed as a law clerk for Chief Justice John Roberts and Brett Kavanaugh. There she was no doubt introduced to Roberts' British handlers in the Knights of Malta, English Priory. Roberts just recently admitted his Knights of Malta membership in court filings.

This is the company that Usha has kept. Did J.D. Vance disclose any of these conflicts to the Trump Campaign? Somehow we think not.

Only *after* all this heady non-lawyer experience and globe-trotting did Usha pass the DC Bar. Her grooming is so evident it is palpable.

One wonders why Usha was given all heady grooming in law while not even an attorney. Either she had no law acumen, or because she would not be subject to the Rules of Professional Conduct whereby she would have to disclose conflicts of interest. By waiting, her conflicts could be swept under the rug. To our knowledge, JD Vance has not disclosed any of his Usha conflicts.

Usha's resume is just too full and too perfect for a 38-year old with no real world experience.

Usha's biography does not meet the smell test.

Just ask Bill Gates and Hillary Clinton why they helped groom her. Ask Yale and Cambridge Universities where Pilgrims are notoriously groomed.
