RULES

I

The name of the Society shall be The Pilgrims.

II

The object of the Society shall be the promotion of Anglo-American good-fellowship.

III

The Officers shall be a President, Vice Presidents, Chairman, Honorary Chaplain, Honorary Treasurer and Honorary Secretary, of whom the President, Chairman, Honorary Treasurer and Honorary Secretary, together with sixteen other members, shall constitute the Executive Committee of the Society (hereinafter called "the Committee"). The said Officers shall be unpaid and shall be elected annually at the annual meeting of the Society, provided that no Officer being the Chairman, Honorary Treasurer or Honorary Secretary shall serve in the same office for more than six years unless elected for a seventh or subsequent year after not less than three-quarters of the members of the Committee shall have signed a memorandum approving the eligibility of that Officer for such election.

The Committee may also appoint from one of the members of the Society an Assistant Honorary Secretary who shall be unpaid and who shall not be a member of the Committee.

IV

The Society shall be composed of members of British or American nationality prominent in public or social life, science, art or literature, who shall be elected by the Committee and membership of the American Pilgrims shall ipso facto constitute membership of the British Pilgrims and vice versa without additional fees. The membership shall be limited to 1,100, but this number may be varied at any time by the Committee.

V

Candidates must be proposed by one member, seconded by another and be personally known to both members who shall inform the Committee in writing as to the eligibility of the candidate and state the candidate's interest and involvement in Anglo-American relations. The candidate's full name and occupation shall be entered in a form to be provided for the purpose, which shall be signed by the proposer and seconder.

The names of the American candidates may be referred to the American Committee for their approval.

The election for membership shall be by the Committee, after taking the advice of the sub-committee on Membership, and shall take place at such times as the Committee shall think fit.

The election shall be by vote or by ballot; one negative vote or one black ball in five shall exclude. If twice rejected a candidate cannot be put up again for election without the unanimous consent of the Committee.

The Chairman of the sub-committee on Membership shall forward to every member of the Committee a list of the candidates with the names of the proposers and seconders at least one week before the candidates' names come before the Committee for election.

The Honorary Secretary shall notify each new member of his or her election and furnish him or her with a copy of the Rules.

Anyone whom the Committee considers worthy of the honour may be elected an honorary member of the Society.

VI

The Committee may at any time cancel the membership and refuse to receive the subscription of any member; such ex-member shall not have the right to make any appeal whatsoever or to demand the reason for such cancellation, but the entrance fee and subscription for the current year shall be returned to him or her.

Any member becoming bankrupt or compounding with his or her creditors shall, ipso facto, cease to be a member, but can be reinstated by the Committee if in their opinion he or she has done nothing to injure his or her reputation.

VII

The management of the Society shall be vested in the Committee which shall make and be responsible for enforcing all such rules and regulations as they shall from time to time think necessary for the management and well-being of the Society and for carrying out its objects; such rules and regulations shall be binding on all members of the Society. The Committee shall have power to add to, or alter, these Rules after two weeks' notice of the proposed addition(s) or alteration(s) shall have been given to each member of the Committee. Additions or alterations adopted by the Committee shall be reported to the next annual meeting of the Society.

One-third of the Committee shall be elected at the annual meeting of the Society and hold office for three years, one-third retiring each year and being eligible for re-election for one further three year term. Any Committee member so re-elected shall not be eligible for further re-election unless elected an Officer or unless he or she shall have retired from the Committee at or before the annual meeting of the Society last preceding the annual meeting at which such re-election is proposed.

Five members of the Committee shall form a quorum.

The Committee shall have power to fill vacancies.

Honorary members shall be eligible to serve on the Committee.

The Committee shall appoint annually a sub-committee on Finance, a sub-committee on Membership and a sub-committee on Programme events, which shall be responsible to and shall advise the Committee in respect of financial matters, candidates for membership and programme events respectively. Each of the said sub-committees shall consist of five members together with the Chairman who shall be an ex-officio member. In the case of the sub-committees on Finance and Membership, the members shall all be appointed from members of the Committee and, in the case of the sub-committee on Programme events, its chairman and at least two other members shall be appointed from members of the Committee.

The chairman of the sub-committee on Membership shall not propose or second any candidate for membership.

The Committee shall have power to appoint additional sub-committees for any

purpose or object and to delegate to such sub-committees the functions and powers of the Committee relating to the same. The composition of each such sub-committee shall be as prescribed by the Committee (the Chairman in any event being an ex-officio member thereof) and may include members of the Society who are not members of the Committee.

Unless otherwise prescribed by the Committee in respect of any additional sub-committee, three members of a sub-committee shall form a quorum.

Except where otherwise provided in these Rules, the decision of the Committee, or of any sub-committee, on any question shall be that of the majority of those members present and voting on the question.

VIII

No member shall by virtue of his or her membership be liable for any amount beyond his or her entrance fee and annual subscription.

IX

At any meeting, whether general or in Committee, the chairman shall have a casting vote, except at the election of a member when the chairman shall have only one vote.

X

There shall be an annual meeting of the Society held at such time and place as the Committee may decide for the purpose of receiving a report of the Committee in respect of the affairs of the Society for the past year and a statement of the accounts and of electing the Officers and members of the Committee; two weeks' notice of such meeting shall be given by the Honorary Secretary in such manner as the Committee may determine.

XI

There shall be an entrance fee and annual subscription, the amounts of which shall be determined by the Committee from time to time. The entrance fee shall be paid on election and the annual subscription shall be paid on or before 1 May each year.

Any member elected after 1 December in any year shall pay only half the usual annual subscription for the portion of the year between the date of his or her election and the following 1 May.

XII

All subscriptions shall be paid to the Honorary Treasurer who shall keep the accounts of the Society and report thereon to the Committee from time to time.

The Honorary Treasurer shall at each annual meeting render a statement of the accounts which shall have been duly audited.

If a member's subscription be three months in arrears, he or she shall cease to be a member of the Society. The Committee may reinstate a member on a satisfactory explanation of failure of due payment.

XIII

All members shall from time to time communicate to the Honorary Secretary their own addresses or those of their agents or bankers and all notices sent to such addresses shall be considered as duly delivered.

XIV

No member shall make use of the name or address of the Society for purposes of advertisements or for any other purpose without the prior consent of the Committee.

XV

Members desiring to resign must notify the Honorary Secretary of such intention not less than one calendar month before the next annual subscription becomes due; otherwise they will be liable for the subscription for the ensuing year.

XVI

Members may introduce their friends to the public meetings of the Society subject to such restrictions as the Committee may from time to time establish, but the same guest (other than the spouse of the member concerned) may not be introduced on more than one occasion in any year without the consent of the Committee.

XVII

The decision of the Committee on all matters relating to the Society shall be final.

RULES

I

The name of the Society shall be THE PILGRIMS.

II

The object of the Society shall be the promotion of the sentiment of brotherhood among the nations, and especially the cultivation of good fellowship between peoples of the United States of America and the British Commonwealth of Nations.

III

The Officers shall be a President, Vice-Presidents, a Secretary and a Treasurer, elected annually by the Executive Committee, who, together with twenty-one other members, shall constitute the Executive Committee of the Society.

IV

The members shall be peoples of the United States of America and of the British Commonwealth of Nations, and others prominent for their sympathy with the objects of the Society, who shall be elected by the Executive Committee, and membership in the London Pilgrims shall ipso facto constitute membership in the New York Society, and vice versa without additional dues.

The membership of the Pilgrims of the United States (the New York Society) shall be limited to one thousand. This number may be altered by the Executive Committee.

Anyone whom the Executive Committee considers worthy of the honor may be elected an honorary member of the Society.

Candidates must be proposed by one member and seconded by another, both of whom shall write letters to the Committee as to the eligibility of the candidate. The candidate must be personally known to at least one member of the Committee on Admissions or one member of the Executive Committee. In addition to the letters from his proposer and his seconder, the candidate's full name and occupation shall be entered on a form to be provided for the purpose, which shall be signed by the proposer and seconder, and other letters of recommendation are desirable. The election for membership shall be by the Executive Committee upon recommendation from the Committee on Admissions.

The Committee on Admissions shall cause to be mailed to every member of the Executive Committee a list of the candidates with the names of the proposer and second several days before these names are reported to the Executive Committee for action.

The election shall be by ballot; one blackball in five shall exclude. If twice rejected, a candidate cannot again be put up for election without the unanimous consent of the Committee.

The Chair of the Admissions Committee will notify new members of their election, and furnish them with a copy of the Rules.

VI

The Executive Committee upon vote of eleven of its members may at any time cancel the membership of any member; and refuse to receive the subscription of any member, and such ex-member shall not have the right to make any appeal whatsoever nor to demand the reasons for such cancellation.

VII

There shall be an Executive Committee, in whose hand the management of the Society and the enforcement of these Rules shall be vested; and they shall have power to add to or alter these rules after giving two weeks' notice to each member of the Committee of the proposal so to add to or alter the same.

The Committee shall make all such rules and regulations as they shall from time to time think necessary for the management and well-being of the Society, and for carrying out its objects, and such rules and regulations shall be binding on all members of the Society. One-third of the Committee other than officers shall be elected at the annual meeting of the Society and hold office for three years, one-third retiring each year and being eligible for re-election.

The Committee shall appoint annually, from their own number, a chairman.

Five members of the Committee shall form a quorum.

The Committee shall have power to fill vacancies in its membership.

The Committee shall appoint annually from their own number a Finance Committee, consisting of three members, who shall be responsible to the Executive Committee to whom they shall report annually or oftener if requested by the Executive Committee.

The Committee shall appoint annually from their own number a Committee on Admissions consisting of three members, to which Committee the names of candidates for elections shall be referred.

The Committee shall have the power to appoint sub-Committees for any purposes or objectives, and to delegate to such sub-Committees the functions and powers of the Committee relating to the same.

The President and the Secretary of the Society shall be ex-officio members of all Committees.

Any member of the Executive Committee who shall be absent from three successive meetings without excuse or explanation may be deemed to have resigned and his place may be filled by the Executive Committee.

VIII

The members of the Committee on Admissions shall not propose or second the names of any candidates for election to the Society.

IX

No member shall be liable for any amount beyond his entrance fee and annual subscription.

X

At any meeting, whether general or in committee, the Chairman shall have a casting vote, except at the election of a member when he shall have only one vote.

XI

There shall be an annual meeting of the Society held on the fourth Wednesday of each January, at such place as the Committee shall select, two weeks' notice of such meeting to be given by the Secretary.

XII

There shall be no entrance fee at present but members under the age of thirty-five shall pay an annual subscription of Fifty Dollars (\$50) and members over the age of thirty-five shall pay an annual subscription of Ninety Dollars (\$90). These subscriptions shall be payable on or before February first and age shall be determined as of December thirty-first of the preceding year.

XIII

All subscriptions shall be paid to the Treasurer, who shall keep the accounts of the Society.

He shall render a statement of the accounts at each annual meeting, which shall have been duly audited by the Finance Committee.

XIV

All members shall from time to time communicate to the Secretary their own addresses or those of their agents or bankers, and all notices sent to such addresses shall be considered as duly delivered.

The Secretary shall keep a book in which such addresses shall be entered.

XV

No member shall make use of the name or address of the Society for advertising purposes, nor shall the name of the Society be used on letterheads or otherwise for any purposes except those of the Society, nor by any but officers and Committees thereof.

XVI

Members desiring to resign must notify the Secretary of such intention one calendar month before the date the next annual subscription becomes due; otherwise they will be liable for the usual subscription of the ensuing year.

XVII

Members may introduce their friends to the public meetings of the Society subject to such restrictions as the Committee may from time to time establish.

XVIII

The decision of the Executive Committee on all matters relating to the Society shall be final.
