TUCKER CARLSON PILGRIMS SOCIETY SCUMBAG AND TRAITOR TO AMERICA

Is Tucker Carlson a British Pilgrims Society agent (he is definitely a member) or has he turned against them?

Strong evidence has just emerged that news personality Tucker Carlson has been a member of the British Pilgrims Society since at least 2004 with his father Richard Carlson

https://en.wikipedia.org/wiki/Tucker_Carlson

Tucker's career in media has evidently been catapulted and nurtured by his Pilgrims Society father, **Richard ("Dick") Carlson**. CPB, NPR, CNN, New Yorker, Crossfire, The Atlantic, MSNBC, The Daily Caller, Fox, Warner Books, Simon & Schuster, Politico, etc.

Tucker now claims to have seen the error of his ways and woke up in the past two or three years. We call upon him to explain his Pilgrims Society membership pledged to the British Crown.

All Americans who are members of the British Pilgrims Society are traitors, euphemistically called the “special relationship.”

It is time for Tucker Carlson to tell us about his and his father’s membership in the Pilgrims Society.

The Pilgrims Society's mission has been to reform the British Empire into a global TheCityofLondon[1] bank-controlled imperial federation and to **annex America in the process**. These ideas were the brainchild of Privy Counsellor Cecil Rhodes, Prime Minister of Cape Colony (British South Africa Company), who wrote that the plan would take 200 years to accomplish. Rhodes also wrote that this plan would not work unless America was subdued. They are 122 years into this plan.

[1] **TheCityof London** is not the same thing as Greater London. It is a one square mile area along the Thames River that was chartered to Babylonian "Radknight" merchant bankers in 1067 A.D. just after England was conquered by William the Conqueror of France in 1066 A.D. The banking and trade of the empire was to be transacted in this independent geography with its own sheriff, council, laws, courts, aldermen, and mayor, to this day. Paternal membership was restricted from father to son. The modern British peerage system and knighthoods emerged from TheCityofLondon. Its religion is the Babylonian Rādhānite worship of Mammon and usury, pretending to be Christian.

The Pilgrims Society has insulated itself legally, fiscally and morally inside the protective cocoon of the British monarchy. This protects them from their crimes while enriching them and their cronies. When you hear that the monarchy is irrelevant, think the opposite. That is just propaganda to protect the monarchy from the light of truth.

Below the Pilgrims Society are a plethora of organizations formed to recruit underlings to serve their mission. Each of these organizations is peppered with Pilgrims Society overseers who are bankrolled by TheCityofLondon: Bilderberg Group, Aspen Institute, Council on Foreign Relations (CFR), Chatham House, Club of Rome, World Economic Forum (WEF), American Academy of Achievement, Trilateral Commission, Aspen Institute, Senior Executive Service (SES), SERCO Group, QinetiQ Group, Lockheed Martin, BAE, Atomic Weapons Establishment (AWE), Reuters, Associate Press, Carlyle Group, U.S. Patent Office, Democratic Party, Republican Party, DARPA, U.S. Justice and Courts, U.S. Department of State, CIA, FBI, NSA, NRO, DIA, and U.S. Department of Defense.

In 2009, Pilgrim Society future president Sir Jock Stirrup, Chief of the Defence Staff [sic], excused the death of a soldier to lack of Royal Army equipment while his Carlyle Group-DC-funded Anglo-American company QinetiQ—controlled by the Queen—was given the contract in 2008 to track all *US Army* equipment worldwide.[2]

ALEXANDER HAMILTON WAS A BRITISH TRAITOR

It is because during the American Revolution, [AlexanderHamilton](#) was British Spy No. 7. He was conspiring with the largest insurer in the world at the time: the [London Assurance Company](#). Its governor, attorney John Barker (1707-1787) bankrolled Hamilton's rise to become America's first Secretary of the Treasury as he capitalized America's first four Hamilton-founded banks: Bank of

North America (1781), Bank of New York (1784, still BNY), First Bank of the United States (1791), and The Manhattan Bank (1799, now JPMorgan Chase) with Aaron Burr and Barker's nephew John Barker Church—by then the richest man in New York—Loyalists all.

MONEY, BRIBES, BLACKMAIL, MURDER & WARFARE BUY SILENCE THEN AND NOW

To keep this part of the story short, British bankers bought the silence of historians to this day.

In fact, the British were so sure of their ultimate success that on Aug. 24, 1814 they sacked Washington, D.C. and burned down the White House. They were funded by the Rothschilds who never saw a war that they did not like, to this day.

THE ABYSS COUGHS UP DOCUMENTS

Just weeks ago, a treasure trove of heretofore secret information emerged to help answer this question.

The mockingbird media is notably incurious on this question.

We already knew why (because they are funded by the deep state), but this new information locks in the answers like a prison cell door latching shut.

For researchers of the British Pilgrims Society for more than a century, up till now we have had to study their garbage mostly for clues to their identities. We knew they followed the Chatham House Rule^[3] for maintaining secrecy.

[3] "When a meeting, or part thereof, is held under the Chatham House Rule, participants are free to use the information received, but neither the identity nor the affiliation of the speaker(s), nor that of any other participant, may be revealed."

History is now coughing up her demonic secrets like a massive hairball.

Through resent missteps and inadvertent disclosures, the names of the people currently attacking America and global society are finally surfacing. Some of the names are familiar, but most are not. That said, their handiwork is well known. Without exception they are a warmongering horde dedicated only to money and power. Humanity is merely an expendable resource to them.

The consistency of their evil conduct over millennia clearly illustrates the demonic possession of these self-styled elites. They thrive on the Seven Deadly Sins of lust, gluttony, greed, sloth,

wrath, envy, pride.[4] Their blood lines emerge from the usurious banks of Babylon and their worship of demons notably Mammon, Ba'al, Beelzebub, Moloch, Asmodeus, Ahriman, Lilith among many more. Human exploitation and debt slavery have been their stock in trade, and still is.

By contrast, the Virtues are love, chastity, temperance, diligence, kindness, patience, and humility.[5]

[4] Some lists also include dejection, boasting, prostitution, vainglory

[5] Some lists also include prudence, justice, fortitude, faith, hope, charity

JESUS CHRIST: “WHAT IS YOUR NAME? ‘MY NAME IS LEGION,’ HE REPLIED, ‘FOR WE ARE MANY.’” MARK 5:9

Our progeny demand that those striving to be righteous stand against the Pilgrims Society's evil acts now, before they drag human society into the abyss. And yes, “Abyss” is Anthony Fauci's maternal Swiss family name. The Abyss family crest is a serpent devouring a grizzling child. Abyss means bottomless hell.

There are numerous layers to this sulfurous onion. Jesus Christ told us very clearly who the enemy of God is: The Babylonian demon mammon, the god of usury and human exploitation. [Matthew 6:24](#).

“No man can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon.”

Ask yourself, do you *despise* mammon? If not, then where does that place you in the spiritual battle?

America at its founding attempted to throw off Mammon during

the Revolutionary War, but we only succeeded in slowing him down. TheCityofLondon banks moved back in even more strongly after the British troops left. They funded America's first four banks in conspiracy with Alexander Hamilton. This explains the outsized interest of the Pilgrims-controlled lame stream media today in the musical *Hamilton*. He was one of them. He's had good press ever since. Why else do you think that the musical *Hamilton* was exalted by Hillary Clinton herself? It was whitewashed history supporting her demons.

We have now discovered that TheCityofLondon banks were formed in 1067 A.D. by Babylonian merchant-banker "Radknights" that trace their lineage of usurious debt banking and paganism to ancient Babylon and the Silk Road.

9th century history tells us that Silk Road merchant banking was settled in a wealthy Babylonian suburb named Rādhān where the inhabitants were called Rādhānites (pronounced Rad-a-knights). The English merely shortened the name to "Radknights" or Riding Knights. This could be the origin of the term "knight."

Arab historian and postmaster Ibn Khordadbeh wrote in *The Book of Roads and Kingdoms* in the 9th century that these money lenders called themselves Jews but did not practice the Torah or even speak Hebrew. The Babylonian Talmud and Yiddish were the replacements used by these impostor Jews who then overran European banking in the decades following the first Crusade in 1096 A.D.

"Ashkenazi" emerged in the 11th century to hide their merchant-banker usury and paganism

These Radknight merchant-bankers changed their tribal moniker to "Ashkenazi" and "Sephardic" in the 11th century to further mask their Babylonian origins. No such Hebrew tribes ever existed.

These facts, buried by historians, show the Crusades in an entirely different light. The Seljuk Turks had taken Jerusalem in 1055 A.D.

and were threatening Baghdad which was controlled by the rival Islamic Abbasid Caliphate who had come to Baghdad in 750 A.D. The Abbasids had allowed the Babylonian Rādhānite fake Jewish merchant-bankers to flourish, as Ibn Khordadbeh described in his book.

However, the Babylonian Rādhānites who had earlier abandoned Baghdad due to the internecine tribal warfare between the Abbasids and Seljuk Turk Moslems. The Rādhānites wanted Baghdad back in their control as their merchant-banking headquarters. So, they funded and fooled Christian knights to capture Jerusalem and push on to Baghdad just 700 miles away, but the later never happened. Thereafter, unable to push the Seljuk Turks out of Baghdad-Babylon, the Radknights established their permanent Solomon's gold vaults in TheCityofLondon. Herein is the likely money and real reason for the Crusades.

Miracles in Antioch - the Holy Lance of Antioch

Along the path of the First Crusade, miracles occurred in Antioch. Crusade historians have well documented these events. A soldier close to Commander Raymond of St. Giles, Peter Bartholemew, had multiple visions of St. Andrew who instructed him to dig under the altar of the Church of St. Peter where he would find the [Holy Lance](#) that pierced Christ side, which they found. St. Andrew also instructed the army to carry the Lance in honor at the head of their marching army and they would succeed in overcoming the 5:1 odds against them in Antioch where they were relegated to eating shoe leather to survive. They were then instructed to take Jerusalem under the Lance's protection, which they did. They defeated the Seljuk Turks who were then also occupying Baghdad (Babylon). There is much more to this story, including the well-documented baptism of Raymond's son Alphonso Jordan in the River Jordan in July 1099 (also instructed by St. Andrew), and including the likelihood that this same Holy Lance is in the current stewardship of American patriots who have experienced multiple healings in its presence. St. Andrew is a patron saint of Scotland, Georgia, Poland, Romania, Russia, Barbados, Ukraine and Greece (icon

below).

The Destiny of the World ...for good.

Charlemagne, Barbarossa, Hitler, Napoleon, General Patton and the quest for possession of the Holy Lance has endured because they all believed that *"...whoever possesses this Holy Lance and understands the powers it serves, holds the destiny of the world in his hands for good or evil"*

THE HOLY LANCE OF ANTIOCH

RADKNIGHT UK MERCHANT-BANKERS ARE EXPERTS AT GETTING OTHERS TO FIGHT THEIR WARS

Were the Crusades all about Babylonian Rādhānites merchant-bankers wanting their Rādhān banking center back along the Tigris-Euphrates River?

Is the current TheCityofLondon Radknight exploitation of America designed for the purpose of using the American Army, Navy, Air Force, and spying to exploit Christians to fight their pagan wars? The more things change, the more they stay the same.

SUPPRESSED HISTORY THAT EXPOSES THE “DEEP STATE”

We wrote in the [previous post](#) how modern historian Carol Quigley failed to write this history of the Pilgrims Society faithfully. With these suppressed truths of history uncovered, perhaps now an analysis of the “deep state” can proceed in earnest. Now we can see why all banking roads lead to TheCityofLondon, because ever since 1067 A.D. they have.

What is different about this understanding is these bankers were not English, French, British, German, Spanish, or Dutch. They were Babylonian Rādhānite merchant-bankers of the Silk Road and were worshipers of the demon gods Mammon and Moloch. They still are.

To repeat ourselves, they repackaged themselves with untraceable names like “Ashekanzi” and “Sephardic” and put on a cloak of Judaism after they were driven out of Babylon/Baghdad in the 11th century.

They even co-opted their Khazarian neighbors to the north into their impostor Jew ruse. [Their DNA now reveals](#) that they are Turkic, Persian, Sogdian (countries of the -stans today), and even

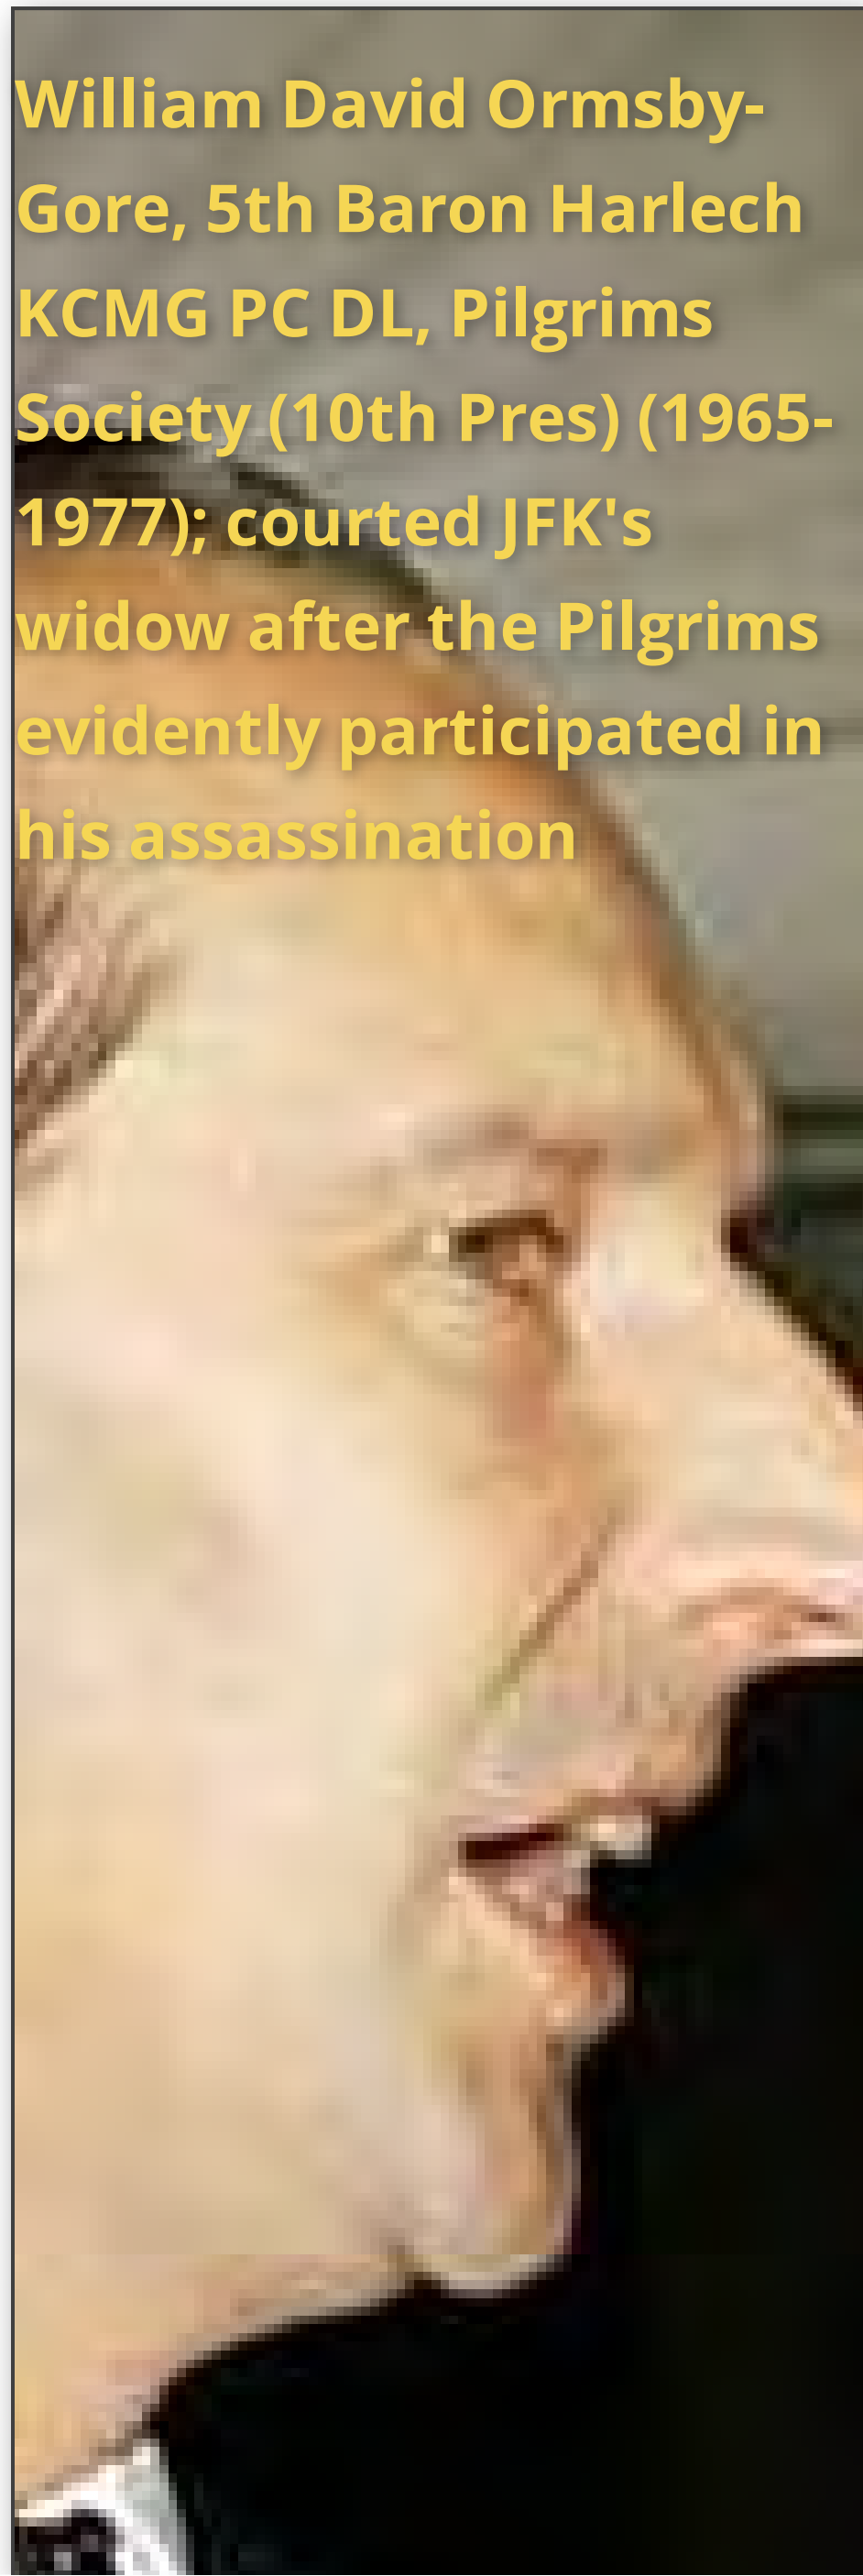

Chinese in their blood... but no Hebrew blood to speak of. They are also not Semitic.

THE PILGRIMS SOCIETY CLOAKS ITSELF IN **BRITISH ROYAL GARB** AND PERFUME TO MASK ITS FOUR MILLENNIA OF BABYLONIAN MERCHANT-BANKER STENCH

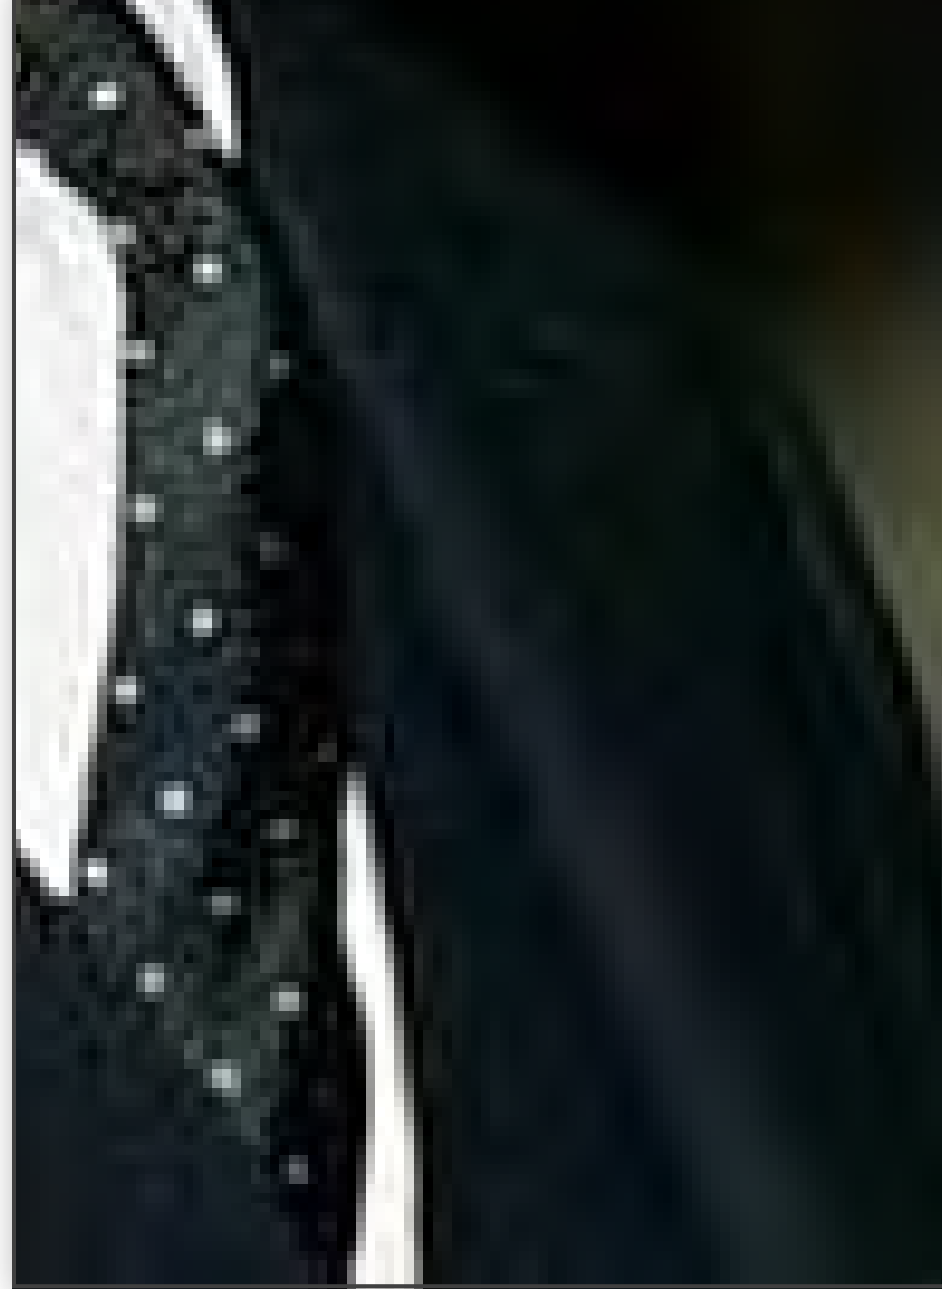

Now we can understand who these people are today. They are members of the Pilgrims Society headquartered in the ancient Babylonian Rādhānite commercial center chartered in 1067 AD named

The City of London. Their impostor Jewishness is also now revealed. They are not Hebrew. Their merchant-banker blood lines are a Silk Road mixture of Turkic, Persian, Khazarian, Sogdian (the -stans today), and Chinese. Many millennia ago they developed a genetic deformity called an aquiline nose. They are demon worshiping, child sacrificing, Babylonian followers of Mammon and Moloch. In England they were called "Radknights" until they changed their branding to "Ashkenazi" and "Sephardic" to mask their usury and paganism. They were never persecuted, they have always

been the financial persecutors. Their stories of persecution have always been propaganda to hide their usury and human exploitation, we believe.

WHAT IS THE PECKING ORDER OF THE NEW WORLD ORDER "DEEP STATE?"

HIS MAJESTY THE KING!

The titular head and honorary chairman of the Pilgrims Society is King Charles III. All Monarchs starting with Edward VII before Charles were the same.

KING'S COURT, CHURCH OF ENGLAND, BANK OF ENGLAND

Surrounding the King like a cocoon is the King's Court, Church of England, and Bank of England. The monarchy and its Pilgrims Society minions are immune from audit, accountability, and prosecution. They get away with murder, literally. Think about the notorious pedophile and necrophile Sir James ("Jimmy") Wilson Vincent Savile OBE KCSG.

Imagine, the head of the Anglican Church, then Queen Elizabeth, honouring the notorious demon Jimmy Savile with a rad-knighthood.

The monarchy revealed its demonic core with the Sir Jimmy Savile rad-knighthoods. No amount of propaganda can hide this debauchery. No real Christian would knight a demon. (Jesus: "You cannot serve God and mammon.") Those demons were surely dancing that day in 1990 when Savile was awarded The **Pontifical Equestrian Order of St. Gregory the Great**, not to mention his OBE (The Most Excellent Order of the British Empire) in 1972 (not 1971 like Wikipedia says). This was during **Lord Victor Rothschild's** financing of the fledgling biotechnology

industry where young DNA, stem cells, and blood were harvested by the likes of Nobel Prize winner [Sydney Brenner](#). Sir Jimmy Savile's children's hospitals were a good source for him, no doubt, as were Babylonian Radknight Israelis.

WHAT GOOD IS THIS MAN TO AMERICA? WE FOUGHT A REVOLUTION TO FREE OURSELVES OF SUCH POWER HUNGRY MEN

(Current) Pilgrims Society President **Baron Jock Stirrup** holds the **Sword of State** at the King's speech to Parliament Nov. 07, 2023. Is there any question who Stirrup works for?

PRIVY COUNCIL & PILGRIMS SOCIETY—TIED AT THE HIP

On paper, the King is further served by a group of up to 1,000 privy counsellors. Currently there are 749 privy counsellors.

The Privy Council is the final court of appeal in the British Empire. It is one big royal club and you ain't in it, to quote American comedian George Carlin.

In reality, the inner workings of the Privy Council are controlled by The Pilgrims Society that was founded in 1902 in TheCityofLondon.

With the sole exception of the current president, Air Marshall Lord Stirrup, all presidents of The Pilgrims Society have been privy counsellors. No doubt Baron Stirrup will become a privy counsellor soon.

The commerce of the Empire is directed by the Pilgrims Society. A key element of this organization has been the "Annexation of America" back into the commonwealth, which is well under way.

This was a definitive instruction of the Pilgrims spiritual founder Privy Counsellor Cecil Rhodes before his untimely death at age 48 in 1902. By then he had set up the perpetual funding mechanism for Rhodes Scholarships to recruit Americans into their British hegemony.

THE INFILTRATION OF AMERICA BY THE BRITISH PILGRIMS SOCIETY

In America Pilgrims currently occupy the White House (Joe Biden & Kamala Harris), the U.S. Patent Office (SERCO), Obamacare (SERCO), OMB (SERCO), New York Stock Exchange (Vanguard [hides British royal family control], Blackrock), FEMA Regions 2 & 9 (SERCO), Bitcoin (SERCO), NY Stock trades (Thomson Reuters [Rothschild]), KYC data (Thomson Reuters [Rothschild]), biowarfare pharma (Rothschild Asset Management), over 70 U.S. air traffic control towers (SERCO), US Army and Navy operations (SERCO, QinetiQ), U.S. Space Wars Navy Command (SERCO), Aerospace (SES), Executive Branch (SES), Judicial Branch (Knights of Malta, Inns of Court, Inner Temple), USAID, OPIC (now DFC), Lockheed Martin, Crown Agents, Council on Foreign Relations, Atlantic Council, U.S. Export-Import Bank

Most Senate and House political financing flows through the control of Pilgrims Society members into the UNIPARTY known as Republicans and Democrats.

U.S. elections are rigged using Optech scanning software embedded in all electronic voting machines that was developed by Pilgrim Lord Mark Malloch-Brown in Venezuela and shoehorned by then attorney general Eric Holder into not only Malloch-Brown's Dominion and Smartmatic machines, but also into Diebold, ES&S, Sequoia, Hart InterCivic (Mitt Romney), Premier, Scytl and others.

BANKS, SCHOOLS, COMPANIES & NGOS

The British Pilgrims and their American "branch" were then given clearance to establish an array of NGOs, banks, schools, and companies into which they could invite members for prestige and over whom they could press their influence. This is a spectrum of business, commerce, education, media, banking, pharma, military, industry including Council on Foreign Relations, Atlantic Council, Bilderberg, World Economic Forum, NATO, Chatham House, World Bank, IMG, Bank for International Settlement, Aspen Institute, Club of Rome, Trilateral Commission, Stanford, Harvard, Columbia, Yale, Princeton, Oxford, Cambridge, London School of Economics, American Academy of Achievement, Schwarzman Scholars, Rhodes Scholars, Blackrock, Vanguard, Fidelity, State Street, T. Rowe Price, JPMorgan, Coutts, NatWest, Baring Brothers, Barclays, RBC, Deutsche Bank, IBM, Microsoft, AT&T, Cable & Wireless, Nippon Telecom, Credit Suisse, UBS, BofA, Wells Fargo, and Rothschild interests.

THE COUNCIL ON FOREIGN RELATIONS (CFR): AMERICAN TRAITORS FROM INCEPTION IN 1917

"The Benedict Arnold Society"

The Council on Foreign Relations (CFR) was formed by the Pilgrims Society led by former US Secretary of War and notorious anglophile

Elihu Root in 1917—before the end of World War I. The CFR was later funded directly by the Ford and Rockefeller Foundations.

Root had been exposed in 1913 by investigative journalist Lillian Scott Troy. Ms. Troy also exposed King Edward VII, Andrew Carnegie, John Hay, Teddy Roosevelt, and Columbia University and Pilgrims Society president Nicholas Murray Butler as part of the “Benedict Arnold Society”—Ms. Troy considered these Americans to be traitors equal to General Benedict Arnold in the Revolutionary War.

THE PILGRIMS SOCIETY IN BRITAIN AND AMERICA— THE EXECUTIVE COMMITTEE

The [British Pilgrims Society](#) limited its membership to 1,100 members. [The American “branch”](#) started with a 500 member limit, but eventually settled on a 1,000 member limit.

The control of the parent in London and the child in New York was an “Executive Committee” comprised of 17 members in each place, with authority rooted in the 17-member London headquarters.

The Pilgrims presidents (see table above) in London have all been warmongers in keeping with their British East India Company heritage ("merchants with a sword"). This list emerges from a Pilgrims annual summary of members and rules published in 2004 and recently discovered on Ebay being offered by the family of a dead Pilgrim.

THE ATLANTIC COUNCIL IS CHOCK FULL OF PILGRIMS

The Atlantic Council's role in world affairs has suddenly come into focus following the unprecedented release of a trove of 21 newsletters from 2009-2023 of the British Pilgrims Society several weeks ago.

The [Spring 2023 Pilgrims Newsletter](#) alone identifies 52 members in that one issue.

The Atlantic Council discloses 254 active directors on its website.

The Atlantic Council's list discloses at least 28 probable Pilgrims. That list includes notorious Americans and Brits who are well-known Pilgrims, including Privy Counsellor and current senior vice president of Facebook, Sir Nicholas Clegg, and recent past president of the Pilgrims Society and Privy Counsellor, The Rt. Hon. **Baron Robertson of Port Ellen** (George Islay MacNeill).

Now we see why James Clapper was willing to so blatantly lie to Congress about NSA spying on Americans. He knew he would be protected by the Pilgrims Society.

Clapper works for the British Pilgrims Society, as does James Baker, Michael Hayden, Sir Wesley Clark, and sleeper Ronald Freeman.

Perhaps now we can see that to blame American corruption on the C.I.A. is actually misdirection away from the source: The BRITISH Pilgrims Society.

TWELVE POINTS TO DEFEAT THE PILGRIMS SOCIETY'S DEMONIC

GRIP ON AMERICA & THE WORLD:

[*Note: Georgetown historian Carol Quigley does not write about this history at all, see below.]*

After the Pilgrims Society was organized in London in **1902**, they developed a [24-point strategy to "Annex America"](#) into their secretive plan for a one-world imperial government controlled by TheCityofLondon banks, merchants, navy, and newspapers. [In 1908](#), Lillian Scott Troy, an American journalist, discovered their plan. She was initially asked not to publish it by Pilgrim W.T. Stead ("The father of tabloid journalism" and author of "Government by Journalism") who was directing the planning for the First Imperial Press Conference, **1909** that empowered the Babylonian Rādhānite demon of Mammon to torment our lives to this day. Lillian was in London to cover the conference and did not publish it then, but she doggedly exposed key Pilgrims including Andrew Carnegie, JP Morgan, and Elihu Root, calling them the "Benedict Arnold Society" in

newspapers. On Feb. 17, **1912** Lillian published the Pilgrims' strategy in San Francisco. Two months later W.T. Stead, who Lillian had convinced that the plan was foolhardy, perished on the Titanic. At the same time, Pilgrim co-founder J.P. Morgan (the owner of the Titanic and its twin, the Olympic) was busy purchasing editorial control of all major U.S. newspapers for the Pilgrims. Indeed, the Pilgrims have always been sinister megalomaniacs.

America's 12-point strategy to throw off the Pilgrims Society's 24-point plan:

1. Outlaw the seditious "special relationship" of surveillance and population control called "Five Eyes."
2. Banish, or heavily tariff, TheCityofLondon banks from all financial activity in America, most especially the Federal Reserve Bank, Bank for International Settlements (BIS), NYSE, NASDAQ, Cede & Co, DTCC, Chicago Board of Trade, World Bank, IMF, European Bank for Reconstruction and Development (EBRD), ban derivatives, bank stock and corporate holdings, ban Reuters (Rothschild, Barings, Warburgs, Barclays, NatWest, Coutts, and their ilk) from ownership in US exchanges, ban KYC ("Know Your Customer" that is managed offshore), delink NYSE and FTSE.
3. Banish, or severely restrict, all British media (Pilgrims) propaganda, esp. Pilgrims-controlled Reuters, Associated Press, *The Daily Mail*, *The Daily Telegraph*, *The Financial Times*, *The Economist* (Rothschilds), *The Guardian*, *The Observer*, *The Daily Mirror*, *The Sun*, *The Spectator*, *Sunday Mirror*, *Metro*, *Evening Standard*, *Daily Express*, ITV, BBC, DSMA Committee in American life and culture, esp. TV, movies, publishing, news, and advertising—all offspring of the Pilgrims' [First Imperial Press Conference, 1909](#) where modern mind control, propaganda, "'creating' public opinion," false flags, biotech warfare, and surveillance grew horns.
4. Being a lawyer is a privilege, not a right; prohibit American lawyers from having actual or honorary titles of nobility (13th Amendment—no "Esquire" titles); prevent lawyers from being judges, being law makers,

holding political office, being lobbyists, or being members of the Inns of Court, Inner Temple, Middle Temple, Temple Bar, King's Court, or conspiring in bar associations—all hidden agenda caldrons against *We The People*; discipline attorneys and judges only with rotating lay citizens; almost half of Congress are lawyers (of the Crown) who do little but stir up controversy and charge outrageous fees that only fellow conspirators against America can afford; disconnect all their interlocking relationships.

5. Prohibit family, faith, human, country-destroying promotion of eugenics, abortion (Babylonian child sacrifice), assisted suicide and LGBTQIA2S+ curricula in education, media, public health, and government.

6. Bar participation of British citizens in U.S. government, public corporations, public contracts, and NGOs, e.g., Fiona Hill.

7. Cancel dual American-British citizenship (allegiance cannot be both ways).

8. Ban SERCO Group Plc (UK) and its subsidiaries and its interlocked conspirators from processing patent applications at the U.S. Patent and Trademark Office.

9. Close the American operations of SERCO (UK) and interlocked relationships, QinetiQ (UK) and interlocked relationships, Lockheed Martin, BAE, Strategic Communication Laboratory and interlocked relationships, Crown Agents, Royal Over-Seas League, Prince's Trust, King's Trust, English-Speaking Society, Pilgrims Society, American Academy of Achievement, Rhodes Scholarship (recruitment of Americans),

Schwarzman Scholarship (recruitment of Chinese), bar all entities controlled by the British Monarch's preferred "golden share."

10. Close the Senior Executive Service (SES) and disperse government agencies away from Washington, D.C., New York, Chicago, Boston, Atlanta, LA, San Francisco, Austin, and the left and right coasts; implement substantive competitive bidding and abolish interlocked cronyism in public contracts.

11. Shut down TheCityofLondon-funded biotechwarfare research, especially Wellcome Trust, The Pirbright Institute, Rothschild Asset Management, Pfizer, AstraZeneca, GlaxoSmithKline, Sanofi, BioNtech, 46 U.S.-funded L4 labs in Ukraine, DEFRA, UKRI, Ft. Detrick, Merial-Boehringer Ingelheim Animal Health, and their ilk.

12. Cease all TheCityofLondon-funded wars immediately (all wars); these wars are merely excuses to hide crashes of fiat currency usury, seize property, seize human creativity, and maintain demonic bloodlines.

The 12-point list above are the virtues needed to *counter* the vice-outcomes of the 24-point Pilgrims Society plan. America and humanity must make a conscious, concerted effort to *reverse* the Pilgrims' vices with the Christian virtues of faith, hope, and love in our lives, communities, governments, and nations.

With the help of God we will achieve this virtuous higher ground. **Satan, get behind us.**

"WOULD ANNEX AMERICĀ."

WOULD ANNEX AMERICA.

Suffragette Says This Is Purpose of British Peace Mission.

LONDON, May 12.—Miss Lillian Scott Troy, a novelist and magazine writer from San Francisco, who interested herself in obtaining the release from prison of Miss Zelle Emerson, a Michigan suffragette, has written a letter to Senator O'Gorman, which contains some extraordinary charges against Andrew Carnegie and other noted Americans.

Senator O'Gorman should receive the communication tomorrow. In it Miss Troy makes the extraordinary allegation that the annexation of the United States to England is the ultimate object of the peace movement promoted by Mr. Carnegie and others.

The accusations by Miss Troy became known here today. They are not taken seriously.

She names Elihu Root and the late John Hay as prime movers in behalf of the peace propaganda, since the inauguration of which, she declares, the relations between the United States and Germany and the United States and Japan have become strained.

Miss Troy suggests it is to England's interest to see the United States weakened in conflict with Germany or Japan. She asserts that while Theodore Roosevelt was in Africa the duke of Connaught's aid suggested he should influence the United States to hand the Philippines over to Japan; that the idea of the arbitration treaties was not Taft's, but that of Carnegie and King Edward, who sent it to America to be labeled "Made in the U. S. A.;" The Hague tribunal is essentially a British product, instituted simply for the ultimate undoing of the United States, and that Dr. Nicholas Murray Butler, president of Columbia University, and others are rewriting American history to disparage the heroes of the Revolution.

Note: **Columbia University** president [Nicholas Murray Butler](#) served as president of the **Pilgrims Society** of the United States "branch" from 1903-1945. He oversaw the organizing of the **First Imperial Press Conference, 1909**, oversaw the recruitment of **Franklin D. Roosevelt , David Sarnoff (RCA, NBC), J. Edgar Hoover (FBI) , Anglican Bishop Henry C. Potter** into the Pilgrims Society.

Elihu Root was co-founder of the **Pilgrims Society** (1902); former **U.S. Secretary of War** (1899-1904); **U.S. Secretary of State** (1905-1909); **NY U.S. Senator** (1909-1913); founding president, **Carnegie Endowment for International Peace** (1910); Nobel Prize (1912); founder, **Council on Foreign Relations** (1918). He was also personal attorney to **J.P. Morgan** and **Andrew Carnegie**.

John Hay was **U.S. Ambassador to the Court of St. James** where he promoted annexation of America by Britain. He once described (banker) war "as necessary as it is righteous" and described another war as "a

splendid little war"--he was a Pilgrims Society merchant-banker warlord *par excellence*.
